Substance Abuse Treatment Providers/Evaluators

State Provider: Medicaid

To apply contact 1(855)-202-0973

Level 0.5 Early Intervention - usually for MIP or very minor alcohol offenses and is only alcohol education – usually around 8 to 16 hours (*most facilities that provide a Level I can provide this*).

Level I.0 Outpatient Treatment – regularly scheduled session less than 9 hours a week (usually about 2 to 4 on average). Should have components of education or early recovery, stabilization and relapse prevention – any other specific needs class per that defendant. Can be a step-down from IOP.

Level II.I Intensive Outpatient Treatment (IOP) – 9 or more hours per week of skilled treatment, 3-5 times a week in group. Should include early recovery, stabilization, thinking error (MRT, CBT, CSC) and Relapse Prevention – any other specific needs class for that defendant.

Level II.5 Detox and IOP – Detox facility for about 3 -5 days then transition to IOP care.

Level III.5 Residential aka Inpatient Treatment – in a 24-hour care facility that they will not be able to leave – program is 28 or more days

Dual Diagnosis/Co-occurring Disorders – mental health and substance abuse issues; self-medicating with substances or using and mixing meds
