Mayor's Committee for People with Disabilities Public Comment Protocol:

The Hampton Mayor's Committee for People with Disabilities comprises volunteer committee members and limited city staff liaisons. The Committee asks that speakers be cognizant of the volunteer nature and limited meeting duration of the Committee when presenting their public comments.

- *Only individuals signed up to speak are permitted.*
- *The Chair shall call individuals to speak in order of sign-up. Speakers shall stand at their gallery seat or approach the front of the room near the presentation screen to present their comments.*
- *Speakers shall await their turn within the gallery seating area of the meeting room. Only Committee members, designated City staff, and additional City-related representatives as approved by the Chair are permitted to sit at the Committee table.*
- *Each individual shall have three (3) minutes to speak.*
- *It is the Committee's practice to listen to speakers and not engage in dialogue. Should an individual have questions or request a response, the Chair will facilitate an appropriate response at a later date.*
