Chris Neyhart

I filled out an application again this year, requesting items from Dick's Sporting Goods. I have not heard back from them yet.

It has been suggested by Chris Neyhart that we forgo purchasing any fish this year because of how early our event is.. The state stocks the lake mid April for free, with trout and he feels that there will be enough fish in the lake in the beginning of may we don't need to purchase additional fish. He recommends that we use the \$1000.00 in our budget to purchase prizes. Please weigh in.
