

**February 16, 2023**

The regular meeting of the Ontario County Board of Supervisors was called to order at 6:30 p.m. at 74 Ontario Street, Canandaigua, NY 14424, with Chairman Todd Campbell presiding.

The Pledge of Allegiance was led by Supervisor Richard Russell, City of Canandaigua.

Upon roll call, all members of the Board were present.

Minutes of the preceding session was approved without being read by motion of Supervisor David Baker, seconded by Supervisor Daniel Marshall; motion carried.

Under reports of County Officials, the following spoke:

County Administrator Chris DeBolt gave an update on the County Housing Assessment.

Deputy County Treasurer Jeff Trickler briefly informed the board regarding the outcome of a lawsuit filed against the county around 2007. The suit was commenced by Krystal Hetelekides who owned the Akropolis Restaurant. The restaurant went into tax foreclosure and was ultimately sold at public auction. Krystal claimed that she was not afforded due process and that her constitutional rights were violated. She was seeking monetary relief from the county in her complaint. The case traveled throughout the court system with a judgment against the county. The decision was appealed to State of New York Court of Appeals. The appeals court ruled in favor of the county deciding that the Treasurer's Office went above and beyond what they were legally required to do to notify the owner, or persons with interest in the property, about the unpaid property taxes and the pending foreclosure. The board was further informed that we wish not to be in the real estate business and therefore make every attempt available to collect taxes before a property reaches the foreclosure stage.

Matt Hoose, County Clerk, was called to give a report. Mr. Hoose was not present. Chairman Campbell said they requested some information from Mr. Hoose through both the Governmental Operations and Insurance Committee and the Ways and Means Committee. The questions for the County Clerk were to be addressed at this meeting to the Chairs of the committees. Chairman Campbell asked the Chairs to the Committees to read the questions.

Chairman Richard Russell of the Governmental Operations and Insurance Committee read to the Board the questions he sent to County Clerk Hoose last Friday. The following questions were:

1. Regarding cash handling, deposit, bank reconciliation policies and procedures within the Clerk's Office.
2. Prior to last fall, who, beside yourself had the authority to write checks from the County Clerk's bank accounts?
  - a. Who was able, or did, write these checks in your absence?
  - b. Who processed and made deposits when you were not present?
3. Describe and explain the internal control processes in place in your office prior to last fall.
4. What is the total amount of revenue generated by the Clerk's Office each year for the past five years?
5. What is the total amount of fees and transactions collected/handled/processed? (i.e., what is the total amount of funds that are handled by your office in a year even if those funds, even just passthrough funds).

6. What steps have you taken, or are you taking, to ensure that your office remains timely in all payments and filings moving forward?

Chair Russell stated there was no answer or reply from the County Clerk.

Chairman David Baker of the Ways and Means Committee stated that he sent an email last Wednesday evening to County Clerk Matt Hoose requesting he provide Ways and Means and this Board of Supervisors the following:

- A detailed report of every payment and report that was late to any entity in the past two years. If there were any late payments of reports, please include an explanation for why the filing was late.
- A list of all reports and payments due to every entity with dates they were due and statutory or procedural reference. Please provide the due dates for each entity for the balance of 2023 as well.

Chairman Baker expressed his severe disappointment with the County Clerk's Office, he has been requested to attend Ways and Means Committees several times to provide explanations to them for the way that the office is being managed and the activities being performed or not being performed. Chairman Baker said he doesn't know if this is an appropriate time for them to have discussion, but at some point, this Board needs to address how to move forward with that office.

Chairman Campbell responded they will continue to endeavor to find answers to these questions, get the reports that they have requested and will likely have further discussion.

Under privilege of the floor the following spoke:

Chairman Campbell granted privilege of the floor to Mr. Adam Levine (Professor, John Hopkins University) regarding research assistance to county legislators on child and family policy-related topics. Mr. Levine provided a handout for the Board members. He explained the new initiative in partnership with Elizabeth Day (Cornell University and University of Oregon), NYSAC, and a team of research assistants to connect research and policy at the county level. They are focused on any child and family-related policy, but may expand in the future. He said this is a free opportunity, noting the work is funded by the William T Grant Foundation.

Chairman Campbell granted privilege of the floor to Supervisor Chris Vastola for Valerie Knoblauch from the Finger Lakes Visitor's Connection. Ms. Knoblauch wanted to take the opportunity to recognize Frank Riccio. He has been with their board for 34 years. She considered some of the jobs and skills he has done. She also gave him credit for his years of service as a veteran.

Chairman Campbell granted privilege of the floor to Supervisor Fred Wille for Mr. Tom Gillette, resident of the Town of East Bloomfield. Mr. Gillette spoke regarding "New York Citizen Audit on Voter Roles". He described the NY Citizen Audit, noting they are a team of concerned citizen volunteers, working to restore integrity to the Empire State by gathering and analyzing publicly available data. The group is calling for the de-certification of the entire NYS 2020 general election. The NY Citizen Audit is asking each town or entity of the county to sign a resolution indicating the need for free and fair elections.

Chairman Campbell granted privilege floor to Supervisor Dave Phillips for Mr. David Collett, resident of the Town of Manchester.

Mr. Collette spoke regarding NY Citizens Audit on voter roles. He noted there was a lot of controversy during the 2020 elections and they are wanting to decertify the 2020 elections. He believes that time has passed, but the problems still exist. He said his desire is to consider the matter to maybe audit the county voter rules. He would ask consideration to look at this matter while we are out of the election time, while there is time.

Chairman Campbell granted privilege of the floor to Supervisor Dave Phillips for Ms. Abigail Marion, resident of the Town of Manchester.

Ms. Marion said in committee last week, some of the supervisors discussed a resolution opposing NYS's new control measures. She said she wanted to take the opportunity to voice her support for such a resolution and respond to a concern that was raised in the course of the discussion. She discussed the concept of safety quoting Helen Keller, "Security is mostly a superstition. It does not exist in nature, nor do the children of men as a whole experience that avoiding danger as a whole is no safer in the long run than outright exposure. Life is either a daring adventure or nothing at all." She said some dangers are known and others are unknown. Danger is ever present and the concept of safety is an illusion. She said by establishing a long list of gun free zones, NYS has, provided a long list of soft targets. While this may improve the perception of safety for some, in reality, it emboldens criminals. She talked of the right to self-defense. The right to defend oneself is the single most basic and inalienable right that exists. It is not guaranteed to save us, but it is our right to try. It is not ours to take away, it is not the states to take away. The right to self-defense is every American's right. She quoted Benjamin Franklin, "Those who would give up essential liberty to purchase a little temporary safety, deserve neither liberty nor safety."

Chairman Campbell granted privilege of the floor to Supervisor Fred Lightfoote for Julie Maslyn.

Ms. Maslyn spoke on behalf of the resolution to make March Agriculture month for Ontario County. She said agriculture touches all of the districts in this county in both large ways and subtle ways. She is here to thank the members for recognizing that agriculture is an important industry in our county.

**RESOLUTION NO. 81-2023**

**CALLING ON THE STATE OF NEW YORK TO CONTINUE TO PASS-THRU  
FEDERAL AFFORDABLE CARE ACT ENHANCED FEDERAL MEDICAID  
ASSISTANCE PERCENTAGE FUNDS**

WHEREAS, The SFY 2024 State Budget proposal would end the Affordable Care Act (ACA) enhanced Federal Medical Assistance Percentage (eFMAP) federal pass-thru to counties and New York City; and

WHEREAS, The State is proposing to keep all of these federal savings going forward and use them to cover further expansions of Medicaid eligibility and benefits and to increase payments to health care providers; and

WHEREAS, The elimination of this ACA eFMAP federal pass-thru will require the 57 counties to spend at least \$280 million more in SFY 2024, and approximately \$1 billion when New York City is included; and

WHEREAS, This proposed elimination of eFMAP pass-thru funding would increase Ontario County's local Medicaid share by approximately \$2,100,000 in 2024; and

WHEREAS, The SFY 2024 costs to counties and New York City are scheduled to grow by 30 percent by SFY 2027; and

WHEREAS, It is the strong view of NYSAC that congress intended these federal savings to be shared with counties proportional to the amount they contributed toward the nonfederal Medicaid match; and

WHEREAS, Since 2003, the state has shared the funds proportionally based on our analysis of savings we have received during periods when an enhanced federal Medicaid match was enacted by Congress; and

WHEREAS, Enacted in 2011, the Medicaid statutory cap for all 62 counties is \$7.6 billion. The Medicaid statutory cap for the 57 counties outside of New York City is \$2.25 billion; and

WHEREAS, Starting in SFY 2014, New York began sharing these federal ACA savings directly with counties. The savings for a year were provided by lowering the weekly payments each county and NYC make to the state to support the State's Medicaid

program. Through February 1, 2023, the state continues to share the federal savings from the ACA eFMAP with the 57 counties and NYC; and

WHEREAS, Counties strongly disagree with the need to cut county funding so deeply when the Governor's budget proposes to fully fund its own reserves two years ahead of schedule depositing \$5.4 billion into reserves before the end of SFY 2023, while also projecting a general fund surplus of \$35 billion by the end of SFY 2024; now, therefore, be it

RESOLVED, That the Ontario County Board of Supervisors hereby opposes the elimination of pass-thru eFMAP funds contained within the proposed Executive Budget; and further

RESOLVED, That the New York State Association of Counties and Ontario County calls on the State to continue to share these federal funds with counties as has been the precedent for over 20 years; and further

RESOLVED, That copies of this resolution be sent to the counties of New York State encouraging member counties to enact similar resolutions; and further

RESOLVED, That Clerk of this Board shall forward copies of this resolution to the Governor of the State of New York, the New York State Legislature, the New York State Congressional Delegation, and all others deemed necessary and proper.

**RESOLUTION NO. 116-2023  
CALLING ON THE GOVERNOR OF NEW YORK STATE TO  
REMOVE FROM THE 2024 EXECUTIVE BUDGET PART M  
OF THE ARTICLE VII REVENUE BILLS**

WHEREAS, On February 1, 2023, the Governor of New York State announced New York State's Fiscal Year 2024 Executive Budget (the “Budget”); and

WHEREAS, The Budget includes Article VII Revenue Bills; and

WHEREAS, Article VII Revenue Bills includes Part M adding a new section 989 of the Real Property Tax Law titled “Distribution of surplus in tax enforcement proceedings” (“Proposed Budget Legislation”); and

WHEREAS, The Proposed Budget Legislation seeks to require municipalities governed by Article 11 of the Real Property Tax Law (“RPTL”) to give excess money to a prior owner of real property sold by the municipality after taking title pursuant to Article 11 of the RPTL; and

WHEREAS, The Proposed Budget Legislation should be removed from the Fiscal Year (“FY”) 2024 Budget because (1) it is unconstitutional since Article VIII, Section 1 of the New York Constitution restricts a county from giving any money to or in aid of any individual, or private corporation or association or private undertaking, (2) it is unfair to lien holders since all liens are cut off by Section 1131 of Article 11 at the time an interested party fails to redeem or answer, which time comes prior to the County taking title and selling the parcel, (3) it will be practically impossible for a county to accurately account for all administrative costs associated with administering enforcement of taxes for thousands of parcels during a two year time period involving subcontractors and staff from multiple departments, (4) it is unclear whether litigation costs incurred in enforcing taxes pursuant to Article 11 would be included, (5) the number of unpaid parcels are likely to increase with owners knowing that they do not have to pay lien holders, including the mortgage lien on their home, real estate agents and other costs that would be required absent this Proposed Budget Legislation, (6) the Proposed Budget Legislation does not address the circumstances where there is no “prior owner” or the prior owner is deceased or the method and attempts required to ensure that the “prior owner” accepts payment and (7) it is unfair to the gross majority of parcel owners in the County who timely pay their taxes or properly sell their home if they no longer desire to own it; and

WHEREAS, The Ways and Means Committee has reviewed this resolution and recommends that the Governor remove Part M from the FY 2024 Executive Budget; now, therefore, be it

RESOLVED, That the Ontario County Board of Supervisors hereby calls on the Governor of New York State to remove from the FY 2024 Executive Budget Part M of the Revenue Bills; and further

RESOLVED, That the Clerk of this Board transmit a certified copy of this resolution to Governor Kathy Hochul and Ontario County's representatives in the New York State Legislature: Senate Majority Leader Andrea Stewart-Cousins, Senator Pamela Helming,

Assembly Speaker Carl E. Heastie, Assemblyman Jeff Gallahan and Assemblywoman Marjorie Byrnes.

Supervisor David Phillips motioned to call up Resolution No. 39-2023 entitled “Declaration of Lead Agency and Determination of Significance for the New York State Community Development Block Grant – Ontario County Farmworker Safety and Housing Program”, laid over from the January 26, 2023 Board of Supervisors meeting by Supervisor Namestnik.

**RESOLUTION NO. 39-2023  
DECLARATION OF LEAD AGENCY AND  
DETERMINATION OF SIGNIFICANCE FOR  
THE NEW YORK STATE COMMUNITY DEVELOPMENT BLOCK GRANT -  
ONTARIO COUNTY FARMWORKER SAFETY AND HOUSING PROGRAM**

WHEREAS, The County of Ontario has applied for and been awarded a New York State Community Development Block Grant (NYS CDBG) through the Housing Trust Fund Corporation to implement the Ontario County Farmworker Safety and Housing Program (the “Program”); and

WHEREAS, The decision to implement said Program using NYS CDBG grant is an action as such is defined under the New York State Environmental Quality Review Act and its implementing regulations found at 6 NYCRR Part 617 (hereinafter collectively referred to as ‘SEQR’); and

WHEREAS, Said NY CDBG award involves five farmworker housing projects in three separate municipalities within Ontario County requiring site plan review approval pursuant to their respective zoning local laws; and

WHEREAS, Resolution No. 813-2022 established this Board’s intent to serve as Lead Agency for the environmental review of said Program under SEQR, and began a coordinated review process of said project pursuant to SEQR; and

WHEREAS, On January 5, 2023 a public hearing was held before this Board to solicit comments on the establishment of this Board as Lead Agency and on the determination of significance for said Program pursuant to SEQR; and

WHEREAS, The Clerk of this Board has circulated said EAF, project materials, and a notice to all interested and involved agencies and none have objected to the establishment of this Board as Lead Agency for the environmental review of said project pursuant to SEQR; and

WHEREAS, This Board has reviewed said EAF part 1, draft part 2, and draft part 3 and all the information contained therein, comments received in writing and at said public

hearing, and the draft findings on file with the Clerk of this Board, and such other documents as this Board felt it necessary or appropriate to examine to adequately review the proposed Action supporting and/or supplementing the EAF; and

WHEREAS, The Planning & Environmental Quality Committee recommends adoption of this resolution; now, therefore, be it

RESOLVED, That this Board is hereby established as Lead Agency pursuant to SEQR for the environmental review of the Farmworker Housing Program; and further

RESOLVED, That the Farmworker Housing Program is hereby classified as an unlisted action pursuant to SEQR; and further

RESOLVED, That the EAF part 1, draft part 2, and draft part 3 on file with the Clerk of this Board in regard to the Farmworker Housing Program are hereby approved and adopted as final; and further

RESOLVED, That this Board hereby makes the following findings in regard to the environmental review of the Ontario County Farmworker Housing and Safety Program:

1. The Program will aid local farms to provide more hygienic housing for their farmworkers through dedicated laundry facilities, additional restrooms, individual bedrooms, updated HVAC systems, and additional kitchen facilities, allowing farms to be more prepared for pandemic situations.
2. The Program will benefit low and moderate income farmworkers.
3. The individual housing projects implemented through the Program will be funded through grant funds and from contributions from the farms where the housing projects will be implemented.
4. The individual housing projects implemented through the Program will:
  - a. Not involve any activities within 100 feet of any state or federally regulated wetland.
  - b. Obtain all building permits from local municipal Code Enforcement Officers and/or Building Inspectors.
  - c. Not involve or be adjacent to buildings or sites on either the National or State Register of Historic Places.
  - d. Involve sites within Ontario County Consolidated Agricultural District 1, meaning farmworker housing is a customary agricultural use by New York State Department of Agriculture and Markets and is thus a use of right that cannot be prohibited by local zoning.
  - e. Involve individual construction projects that will meet all dimensional requirements of the applicable zoning standards of the municipality in

which they are located.

- f. Involve individual construction projects that will meet all applicable requirements of the New York State Uniform Fire Prevention and Building Code and the New York State Energy Code.
5. Individual construction projects developed in the Town of Seneca and Town of Hopewell will require site plan review by the Town Code Enforcement Officer as part of the issuance of a Building Permit under each town's administration of the New York State Uniform Fire Prevention and Building Code and shall not involve Site Plan approval from a municipal Planning Board.
6. Projects developed in the Town of West Bloomfield will require site plan review and approval from the Town of West Bloomfield Planning Board prior to issuance of a building permit by the Town.
7. Will involve individual projects located on individual farms that are separated by miles from other projects funded through the Program and each individual project will not involve ground disturbance of an acre or more, meaning coverage under the New York State General Permit for stormwater discharges during construction shall not be required.
8. Will meet all applicable requirements for waste water treatment systems as promulgated by the New York State Department of Environmental Conservation and/or the New York State Department of Health.
9. Shall involve the execution of a subrecipient agreement for a construction management consultant to work with the Planning Department to ensure construction activities comply with all grant requirements using grant funds at no cost to the County.
10. Shall involve the hiring of a consultant to work with the Planning Department on all other grant compliance activities using grant funds at no cost to the County.
11. Implementation of the Program will result in projects benefitting the general public by making the production of food on the involved local farms more resilient; and further

RESOLVED, That based on its findings, the EAF, comments received, and other project materials received by this Board, this Board hereby makes a negative declaration of significance for the Ontario County Farmworker Housing and Safety Program pursuant to SEQR, stating that the Project will not result in any significant adverse environmental

impacts and that the impacts identified shall be mitigated to the extent practical; and further

RESOLVED, That the County Administrator be and hereby is authorized and empowered to complete the determination of significance section of said EAF, indicating that the proposed action will not result in any large and important impact(s) and, therefore, is one which will not have significant impact on the environment; and further

RESOLVED, That a Negative Declaration of Significance for this project be prepared by the County Planning Department and distributed to all involved and interested agencies along with a copy of this resolution; and further

RESOLVED, That this Board has determined the benefits of the Ontario County Farmworker Housing and Safety Program outweigh the potential impacts and hereby directs the Director of Planning to implement said Program; and further

RESOLVED, That this resolution take effect immediately.

Adopted.
