

Subject: Regents Blvd. Overlay

Dear Regents Boulevard Resident and/or Property Management,

The City of Fircrest is committed to improving pedestrian safety and accessibility throughout our community. As part of this effort, we will soon begin construction on a **street resurfacing and pedestrian safety improvement project** along both **sides of Regents Boulevard**, between **67th Ave West and Alameda Drive**.

Construction is anticipated to begin in the coming months of **2026**, weather permitting. The project will include upgrading curb ramps **and driveways** to current standards, new bike lanes and paving – all in service of enhancing safety and improving mobility for all users.

WHAT TO EXPECT	
• Night Work	• Parking Removal
• Intersection Work	• Shifting lanes/Lane restrictions
• Noise and Dust	• Replace Fircrest entrance sign

NOTE: After completion of this project existing on-street parking will be permanently removed.

We understand that parking impacts can be inconvenient, and we appreciate your patience and cooperation as we work to enhance the safety and accessibility of our community.

Stay Informed

Additional notices will be provided as the project progresses. If you have any questions or would like more information, please contact the City of Fircrest Public Works Department at **(253) 564-8900** or publicworks@cityoffircrest.net.

Please obey all traffic signs, flaggers and stay away from the area if possible.

Thank you for your understanding and support as we continue working to improve our community.

Sincerely,

Tyler Bemis
Public Works Director
City of Fircrest Public Works Department
