RE: The Interlocal Purchasing System (TIPS) Technology Solutions Products and Services contract

Dear Mr. Masten,

PC Specialists, Inc dba Technology Integration Group (TIG) is pleased to offer the following terms to align with TIG's TIPS Technology Solutions Products and Services contract.

TIG will offer the County of Monterey all non-listed manufacturers products that TIG is authorized to sell a minimum of 2% off list until terminated.

In addition, there is a survival clause in the TIPS agreement. This clause allows TIG to ensure the County that any pricing discounts offered to the County of Monterey prior to the term of the TIPS contract shall remain valid as long as there is an existing agreement between TIG and the County of Monterey even after the term date of the TIPS contract. The County of Monterey may also add a cancelation clause to the agreement with TIG that allows either party to cancel the agreement with 30 days written notice.

Survival Clause

All applicable sales, leases, Supplemental Agreements, contracts, software license agreements, warranties or service agreements that were entered into between Vendor and TIPS or the TIPS Member Customer under the terms and conditions of this Agreement shall survive the expiration or termination of this Agreement. All Orders, Purchase Orders issued or contracts executed by TIPS or a TIPS Member and accepted by the Vendor prior to the expiration or termination of this agreement, shall survive expiration or termination of the Agreement, subject to previously agreed terms and conditions agreed by the parties or as otherwise specified herein relating to termination of this agreement.

Please let us know if there are any additional concerns, we can address.

Sincerely,

Tom Janecek
