

Oil and Gas Update

May 5, 2025

Energy, Equity, and the Environment Division

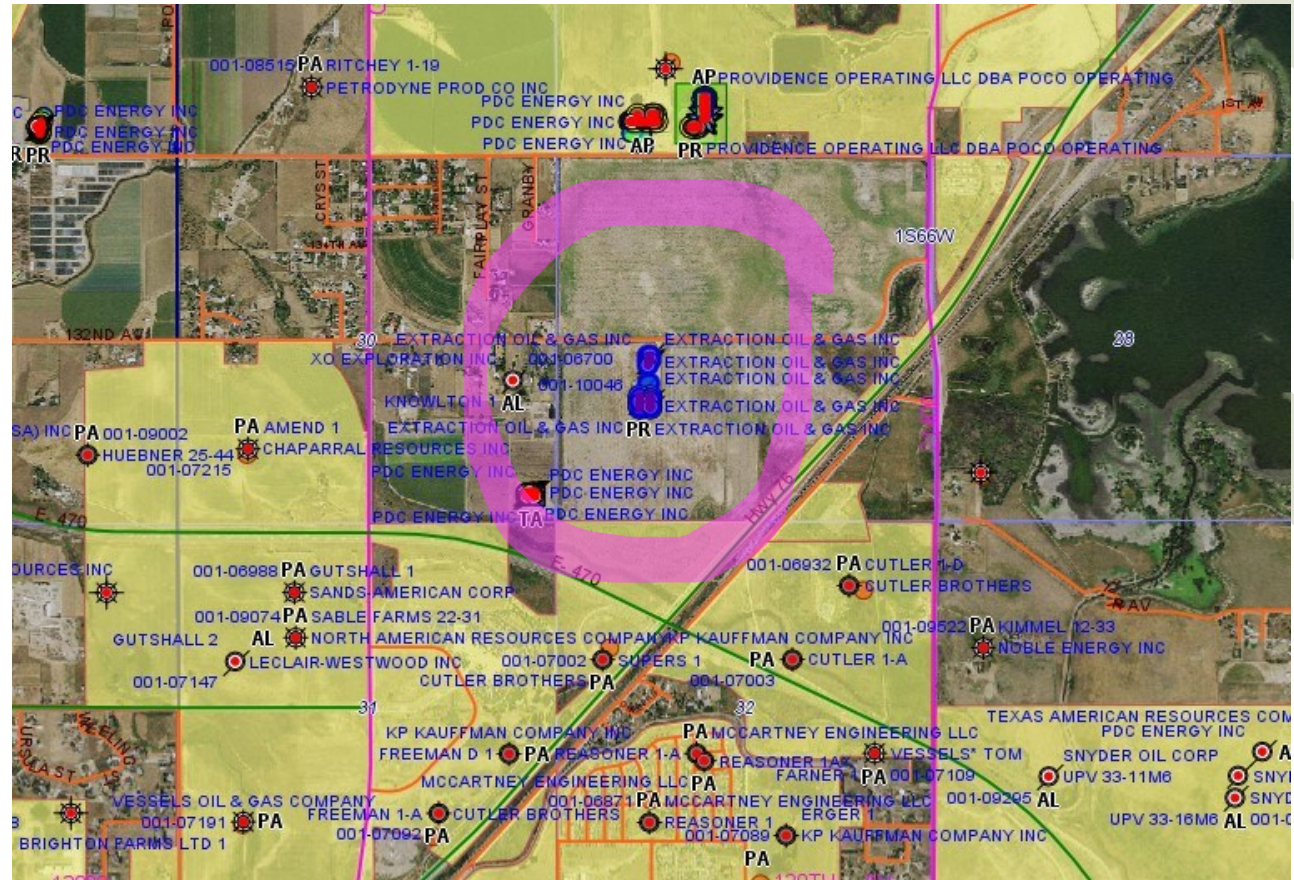

Current Applications

There are no current oil and gas applications.

Oil and Gas Notice Update

E3 received one ECMC notice from the time of March 19-April 23. The notice was for a "Work Over, Rig Up" in unincorporated Adams County.

The facility, called DIBC 41-3, has several well pads that are currently producing. The work was proposed from April 7-10.

Plugging and Abandonment in C3

- Met with Greg Dean at AdCO to discuss AdCO's processes in early April.
- Mentioned the replugging to the Development Review Team (DRT) and received engineering feedback.
- Working on meeting with engineering to ensure C3 drafts easements and contracts in accordance with their needs.

Adams County Oil and Gas Updates

No updates for the time between March 19-April 23.
