Old business: Update on website. We are starting to fill in the information on the groups in the city. If you would like an explanation about your group on the city website please let Deborah Nobliski know.

The City Letter has been a huge hit. We are now expanding the mails to include the rural route and will have extra one around town. We have received quite a few ads for the City Letter. We greatly appreciate every ones help in this project. We will start sell subscriptions to people that live outside our area. If you have any ideas for this city paper please email them to galesburgnd@gmail.com.

New business: Delinquent water bills were discussed. We will start tagging people that are 3 months late.

We do have 3 houses in town that have been sold. Welcome our new neighbors.

We will apply for a loan through the ND Rural Water association. We are asking for quotes for the material and labor to do this project. We hope to get the project started at the beginning of the year.

We will start advertising for bids for snow removal. If you know of anyone that would be interested in this, please forward the information to them. The city will be advertising in the Tribune for the bids.

We do have some more gravel that will be coming. This next load of gravel will be for downtown and by housing.

With all business concluded the meeting was adjourned with a motion by J. Halvorson and second by Caswell. Our next meeting will be held on September 10th.

The event rent for the Hall will be \$50.00 per event. For Hall rental please leave a message with Deborah Nobliski at 701-488-2780 or email her your request at Deborah.nobliski@gmail.com.
