NOTICE TO CONTRACTORS

Gentlemen:

Etowah County is taking bids for labor, equipment, materials, and any incidentals required to complete the work of the following items required for the "Bituminous Surface Treatment" work of the County. This bid is intended to comply with the Rebuild Alabama Act, Act No. 2019-2, as amended, and the Alabama Public Works Law, Alabama Code Title 39, as amended. Bidders shall be required to comply with the provisions of the Rebuild Alabama Act, Act No. 2019-2, as amended and the Alabama Public Works Law, Alabama Code Title 39, as amended, regardless if the requirement is explicitly detailed in the bid proposal or not. This bid shall be in effect from February 1st, 2026 until January 31st, 2027 covering any Proceed Orders issued by Etowah County during that time frame.

Sealed bids will be received by the Etowah County Commission at 800 Forrest Avenue, Gadsden, AL 35901 until 10:00 AM Central Time on January 21st, 2026, and then publicly opened as soon thereafter as practicable. Award will be made at the next regularly scheduled meeting of the Etowah County Commission. Only bids from contractors or material suppliers listed on the Alabama Department of Transportation (ALDOT) approved list of contractors and material suppliers will be accepted. All bids must be marked with the word "BID" on the outside of the bid package along with Bid Proposal for Bituminous Surface Treatment, the bid date and the Alabama General Contractor's License Number.

The contractor shall meet all Alabama Department of Transportation (ALDOT) Bonding and Licensing requirements as well as all applicable laws, ordinances, and codes of the U. S. Government, the State of Alabama, any relevant municipality, and the COUNTY, and, specifically and without limitation, shall comply with all provisions of the Beason-Hammond Alabama Taxpayer and Citizen Protection Act, commonly referred to as the Immigration Act.

All bid items shall be placed in accordance with the bid items and specifications, current revision of the Alabama Department of Transportation Standard Specifications (non-metric edition), and any Supplemental Specifications approved by the Etowah County Engineer. This project is being advertised, let to contract, and administered by an awarding authority other than the Alabama Department of Transportation (ALDOT). All references made in the standard specifications and in other related and included documents of this proposal, to ALDOT (except as applies to references made to ALDOT considering a bidder to be disqualified from bidding, or to the awarding authority consulting or interacting with ALDOT, etc.), the "State", the "Department" or "Highway Department", etc. shall be understood to mean the awarding authority for this project.

Should the bidder desire to offer a substitute for any item listed in this proposal, a full description of the item(s) offered as substitutes shall be submitted to the County Engineer at least 48 hours before the time stated for opening the bids. The County Engineer will issue an addendum, if necessary, to all bidders who have obtained a bid proposal. Each bidder shall include a copy of the addendum with his/her signature indicating they had received the addendum when submitting their bid. If no addendum is issued, the substitute will not be considered in determining the lowest responsible bidder. No bid proposals or additional addenda will be issued 24 hours prior to the time of the bid opening. Etowah County reserves the right to potentially utilize multiple bids if found to be beneficial to Etowah County.

Signature on bid must be in ink. Bids made out in pencil will NOT be accepted. Etowah County reserves the right to accept or reject all Bids or any portion thereof. Etowah County Hours of Operation are 8:00 A.M. to 4:30 P.M. (Central Time) from Monday through Friday. Please remit all Bids and Inquiries to Etowah County Engineer, 800 Forrest Avenue, Gadsden, Alabama 35901.

BID PROPOSAL FOR **“Bituminous Surface Treatment”**

To the Etowah County Commission:

The undersigned shall give Etowah County at least 48 hours' notice in advance of performing work at any site once a Proceed Order has been issued by Etowah County. The undersigned must receive written permission to work on Saturdays, Sundays, or County recognized holidays 48 hours prior to such work commencing. Unless otherwise directed in writing by the County Engineer, the undersigned will be expected to begin work within 15 calendar days after issuance of the Proceed Order. The undersigned will be given a minimum of Fifteen (15) Working Days as defined in the current revision of the Alabama Department of Transportation Standard Specifications, per Proceed Order. Each Proceed Order shall designate the amount of working days or calendar days allowed. Should the undersigned fail to complete the project or projects specified in the Proceed Order within the working days or calendar days stipulated, liquidated damages shall be assessed as defined in section 108.10 in the current revision of the Alabama Department of Transportation Standard Specifications or as amended by Special Provision.

A certified check, drawn on an Alabama Bank, or bid bond, for \$10,000 made payable to the Etowah County Commission is enclosed as evidence of good faith. Within 15 days upon notification of bid award, the undersigned shall submit a Performance Bond for 100% of estimated cost for each Proceed Order and a Payment Bond for 50% of estimated cost for each Proceed Order to Etowah County along with the contract documents, certificate of public liability insurance, certificate of proof of workman's compensation insurance, and business license. The undersigned shall provide to the County his/her Alabama Department of Transportation (ALDOT) Vendor Identification Number as shown on the E-Verify Compliance Status List on the ALDOT website as proof of enrollment in E-Verify.

The undersigned shall submit the Advertisement of Project Completion to Etowah County immediately following the completion and acceptance of all work required, per Proceed Order. The County Engineer will submit the advertisement to the Association of County Commissions of Alabama (ACCA) to be posted on a website maintained by ACCA for a period of four consecutive weeks.

Upon completion and acceptance of all work required, the undersigned will be paid upon presentation of the following:

- a. A properly executed and duly certified voucher for final payment.
- b. A release of all claims and claims of liens against the awarding authority arising by virtue of the contract.
- c. Proof of Advertisement of project completion (AL Code 39-1-1(f) requires a 30 day waiting period after the notice has run before final settlement can be made)

The undersigned agrees: **Final payment will be made within 35 days after all the above requirements are met; Partial Payments, to be paid no more than monthly, for each Proceed Order will be provided under this contract; Retainage shall be withheld on each Proceed Order as required under Code of Alabama Section 39-2-12.**

By submitting this proposal, the contracting parties affirm, for the duration of the agreement, that they will not violate the federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

BID ITEMS AND SPECIFICATIONS

The unit prices below will apply to each Proceed Order issued and should be based on County Wide Pricing. A Proceed Order may include multiple projects or sites. Each Proceed Order shall note the items required and estimated quantities per project or site.

PRICE ADJUSTMENTS will be made to all Asphalt Materials in accordance with the following: It is understood and agreed that the price per square yard of materials bid is based on prices at the time of opening of bids. Prices on contracts developed from this bid will be adjusted based on the PRICE INDEX per gallon of asphalt as determined by the ALDOT Asphalt Index for the month of December 2025. Any increase or decrease in prices will be determined and adjusted by the price index for the month in which delivery and placement is made. Adjustment will be made in accordance with the current ALDOT Specifications. This adjustment shall apply to the gallons of emulsified asphalt or emulsified asphalt with polymer used in the placement of surface treatment.

Upon request, Test Reports shall be submitted on all materials before Payment will be made. The Contractor shall furnish flagmen and portable traffic control devices (or other method approved by the County Engineer) in accordance with current revision of the Manual of Uniform Traffic Control Devices (MUTCD). The County Engineer shall serve as the final authority for all phases of workmanship and materials.

A minimum of 20,000 square yards of paving or resurfacing will be done on each mobilization of equipment to Etowah County; however, the minimum of 20,000 square yards may be in more than one location in Etowah County.

For the pricing of a multiple layer surface treatment under the granite column, only the top layer should be priced for granite. All other layers should be priced for limestone material.

Materials and construction requirements shall meet the Alabama Department of Transportation Standard Specifications for Highway Construction, Latest Edition.
