

CITY OF CHINO

MEASURE I CAPITAL IMPROVEMENT PLAN EXPENDITURE STRATEGY

(FISCAL YEAR 2025-2026 THROUGH FISCAL YEAR 2029-2030)

The City of Chino will continue to emphasize the regional and sub-regional arterial roadway system during the next five years of the Measure I program. At least 50 percent of the Measure I funding will be allocated for specific Capital Improvement Projects to improve traffic flow and motorist convenience. Failing pavement surfaces will be rehabilitated, traffic striping will be modified to accommodate increased traffic demand, and intersection capacity will be enhanced with new and modified traffic signals.

In addition to the above Capital Improvements Program, Chino will continue to allocate up to 50 percent of the annual Measure I funds towards Public Works Maintenance activities. Maintenance work will continue to include the City's traffic signal maintenance, sidewalk and curb repair, pavement repair, and overlay on the local street system.
