

Wynnedale Town Council

Minutes of April 11, 2023, meeting

The meeting was called to order at 7:02 p.m. with all council members and clerk-treasurer present.

Minutes of March meeting were approved.

Clerk-treasurer Jarnell Craig reported the town had a bank balance in February of \$11,223.60. After deposits of \$514.62 of local roads and streets funds plus \$836.17 of motor vehicle highway distributions, the town had total balance in March of \$12,574.

That does not include \$56,097.55 in American Rescue Plan funds from the federal government. Craig is ensuring the town can legitimately use those funds before committing them to Wynnedale street paving.

The town had expenses of \$1,562, leaving a checking balance in March of \$11,012.39.

The town's money market fund had a balance of \$154,975.46 after deposits of \$529.20.

In old business, it was verified that dumpsters would be available to Wynnedale residents April 22 and 23.

Water for the esplanade was to be turned on May 1.

In other business, Sue Rice expressed concern about drainage on Wilshire going across the road, potentially damaging pavement.

She says the city fixed drainage on Knollton, and hopefully could assist in this.

The public area mowing also was discussed, with Sue Rice asking that the contract call only for mowing Sleepy Hollow three times rather than five.

In new business, Bruce Ranger took cyber security training for the town's website.

The meeting was adjourned at 7:35 p.m.
