**Unfinished Business:**

- 1. To consider and act upon the second reading of a proposed Bond Ordinance authorizing the issuance of not more than \$800,000 in aggregate principal amount of combined waterworks and sewerage system Design Revenue Bonds, Series 2025 A (West Virginia CWSRF Program); not more than \$3,750,000 in aggregate principal amount of combined waterworks and sewerage system Revenue Bonds, Series 2025 B (West Virginia CWSRF Program/Principal Forgiveness); and not more than \$6,325,000 in aggregate principal amount of combined waterworks and sewerage system Revenue Bonds, Series 2025 C (West Virginia CWSRF Program), collectively the "Series 2025 Bonds". The Series 2025 Bonds will be issued in three series, the first of which Series 2025 A Bonds will be used to (i) to pay a portion of the costs of design, and other pre-construction activities of certain additions, betterments and improvements to the existing public sewerage system of the issuer; and (ii) to pay costs of issuance and related costs. The Series 2025 Bonds are payable solely from revenues to be derived from the ownership and operation of the combined waterworks and sewerage system of the Town.**

- 2. To hold a public hearing and thereafter consider and act upon the third reading of a proposed Ordinance providing for monthly billing of rates, charges and fees for sewer services, and providing for increased rates, charges and fees for sewer services for all customers of the municipally owned and operated sewer utility of the Town of Marlinton, Pocahontas County, West Virginia. The increase is necessary for the payment of system operations and debt service in order to ensure that continuous, safe and adequate sewer service is provided to all sewer customers.**
