Concrete Paving • Bridge Work
Underground Utilities • Sitework

INITIAL NOTICE OF CLOSURE:

The Perk Company in cooperation with the Ohio Department of Transportation will be replacing the LAK-90-11.510 Bridge Deck, Guardrails, Anchor assemblies and Bridge Terminal Assemblies. ODOT project #25-0413 PID #111004 King Memorial Bridge located in the Village of Kirtland Hills in Lake County Ohio

WEATHER DEPENDENT this is scheduled to occur on 4/20/2026

Due to the nature of this work, a complete closure of King Memorial Road Bridge will be required for the bridge deck replacement. Traffic will be restricted on LAK-90-11.51 for the duration of construction. Local access only will be permitted on King Memorial.

2 Way Traffic detours will be posted as follows: King Memorial will be detoured to Little Mountain Rd., Chillicothe Rd. to Johnnycake Ridge Road.

Advance warning signs and message boards will be posted north and south of King Memorial Road Bridge. Additional notices may be provided as construction progresses.

We apologize for this necessary disruption while we continue the bridge replacement project.

Question can be directed to the Ohio Department of Transportation Public Information Offices at the Following:

PIO#216-584-2005

****THANK YOU IN ADVANCE FOR YOUR COOPERATION****
