Also Present: Deputy City Attorney Angela King

Meeting was called to order at 10:09 a.m.

Guests present included City Council member Carolyn Campbell

No public comments were made.

Election Appreciation Event is being delayed because we are likely to have an Special Election in April.

We will start working on ADA compliance for our precinct locations in April.

We are working on landline phone placement for our precincts. Rebecca has meetings set up to discuss this with the "doers." She will contact the Libraries (2) on this. Matt will email Park & Rec and Public Works.

We are following up on leads for Security Training.

Our office is using the "Election Worker" software on a trial basis for the coming election. This appears to be working very well for our purposes. It is \$3000.00 per year. A motion was made and seconded to purchase the use of this program. Motion passed.

The proper approvals have been given – from the Attorney General's office, and Department of Elections - for the new voting precinct at HU. ESS has been contacted about an additional security cage for equipment. Additional signage (of many kinds) is in the works. We'll do a walk-through with the Chief and Assistant Chief (yet to be determined) likely the day before the next election.

April 1 there is a Job Fair at the Hampton Convocation Center. We will have a presence to sign up Officers of Election if possible.

We continue to review and discuss the duration of terms for Officers of Election.
