**WHEREAS**, after due and legal notice, the Township Board met on October 25<sup>th</sup>, 2023, at 6:00 p.m., prevailing Eastern Time, and heard all persons in interest therein at said first public hearing with respect to the petition, the proposed public improvements, and the Special Assessment District therefor; and

**WHEREAS**, the Township Board has decided to proceed with the public improvements described on **Exhibit A** attached hereto, provided that it obtains adequate bond funding for the project; and

**WHEREAS**, the Township Board is prepared to approve the special assessment district boundaries described in **Exhibit B** attached hereto and made a part hereof for an SAD term of fifteen (15) years; and

**WHEREAS**, Pursuant to Act 188, Public Acts of Michigan, 1954, the Township must hold a second public hearing on the assessment roll and shall set such hearing for the time and date set forth herein.

**NOW, THEREFORE, BE IT RESOLVED THAT:**

1. The Township Board hereby determines that (i) the petition heretofore filed with the Township Board signed by record owners of land constituting more than fifty percent (50%) of the total land area in said special assessment district is legally sufficient for the Township Board to proceed in accordance with the Act, and (ii) the public improvements described in Exhibit A attached hereto and made a part hereof are necessary for the health, safety and welfare of the Township and that said public improvements shall be made and completed pursuant to the Act, provided that the Township obtains adequate bond funding for the project; and the Township shall establish a 15-year SAD term.

2. The Township Board hereby approves the plans and estimate of cost for the public improvements in the estimated total sum of Three Million Five Hundred Twenty Thousand (\$3,520,000.00) Dollars, as prepared for the Township by the Township Engineer, James Sharpe, Oxford, Michigan, and Paul Stauder of PFM Financial Advisors LLC, Ann Arbor, Michigan, and on file with the Township Clerk. Of the aforesaid total cost of the project, and provided that the Township obtains adequate bond funding for the project, the sum of Three Million Five Hundred Twenty Thousand (\$3,520,000.00) Dollars will be spread against the hereinafter maintained 15-year Special Assessment District pursuant to the Act. The Township intends to contribute Three Hundred Thousand (\$300,000.00) Dollars towards the project.

3. The Township Board hereby finally determines that said Special Assessment District shall consist of all of the lots and parcels of land described in Exhibit B attached hereto, that the district shall be designated "North Area Sanitary Sewer Special Assessment District" (the "District"), and that

4. The Township Supervisor is hereby directed to cause more detailed plans to be prepared, to have other necessary governmental approvals obtained, to cause or accept bids for the construction work to be obtained, and, to report the special assessment roll in which shall be described all the parcels of land to be assessed as above set forth, with the names of the owners thereof, if known, and the total amount to be assessed against each parcel of land, which amount shall be such relative portion of the whole sum to be levied against all parcels of land in the District as the benefit to such parcel of land bears to the total benefit of all parcels of land in the District.

5. If periodic redeterminations of cost will be necessary without a change in the special assessment district, such redeterminations may be made without further notice to record owners or parties in interest in the property.

6. The Township Supervisor has completed the special assessment roll as of this date, and shall affix thereto a certificate stating that said roll was made pursuant to a resolution of the Township Board of the Township adopted on the date of adoption of this Resolution, and that in making the assessment roll the Supervisor has, according to the Supervisor's best judgment, conformed in all respects to the directions contained in said Resolution and the statutes of the State of Michigan, and the Supervisor shall then report the special assessment roll, with the certificate attached thereto, to the Township Board.

Dear Board Members:

At our May 10, 2023, Township Board meeting, this board approved the monies to develop a design concept for the expansion of the Oakland County Sheriff's Office Sub-Station and the remaining floor area of lower level of the Oxford Township Hall. The next phase is to develop the Construction Documents and Construction Administration. The Construction documents will include the probable cost estimate, RFP, and issuance on BidNet (MITN). These documents contain the required specifications necessary to: bid, permit and build the project., with more inclusive information in AKA letter dated October 12, 2023, under section 2.1.

The Construction Administration documents include responding to questions from prospective bidders, conformance to specifications by proposed contractors, and attending bi-weekly job site meetings by AKA Architects.

**I MOVE TO APPROVE THE DESIGN CONCEPT FOR THE EXPANSION OF THE OAKLAND COUNTY SHERIFF'S OFFICE SUB-STATION AND THE REMAINING FLOOR AREA OF THE LOWER LEVEL OF THE OXFORD TOWNSHIP HALL.
