Old business: City Website has been started. We own the [www.galesburgnd.com](http://www.galesburgnd.com) address for 3 years. ComMark has started on designing the website. You will find Deb around town taking pictures we are trying to take pictures with people in them. If your group would like your picture added to the website please send them to Deborah Nobliski or drop them off at her house and she will make sure that they get added.

Catherine Albert us an update of the Endowment Fund that will help with future upgrades to the city. We will need a board of 5-9 people so you may be asked to join us in improving our city.

The sprayer that was bought can also spray for mosquitos. Please call Ken Voltz if you have an outside activity planned and we will get it sprayed to make our plans more enjoyable.

New business: Delinquent water bills were discussed. We will start tagging people that are 3 months late.

The City Letter has been a huge hit. We are planning to add the city meeting minutes, projects around town, coupons for businesses and little write ups for businesses and or special people. If you have any ideas for this city paper please email them to [galesburgnd@gmail.com](mailto:galesburgnd@gmail.com).

We will be starting to replace old water meters now. We will start by buying 10 meters and put them in people's houses that are moving into Galesburg or that have problem locations with the one's that they already have.

With all business concluded the meeting was adjourned with a motion by Johnson and second by Caswell. Our next meeting will be held on July 9.
