

# Wynnedale Town Council Meeting

## Meeting Minutes

March 9, 2021, Virtual Meeting Via Zoom

Present: All Town Council Members  
Next meeting: April 12, 2021, 7:00 pm, Location: TBD

1. **Call Meeting to Order at 7:00 pm by Mary Beth Schneider.**
2. **Previous Council Meeting Minutes approved.** Amendment - Directory may not be done this year.
3. **Treasurers Report** – Jarnell went through the treasurers report.
4. **Old Business:**
  - a. Plowing – Josh Smith has a contact interested in doing the snow removal and lawncare. Jarnell confirmed that Josh (currently doing lawn/snow) is committed to doing mowing through November. Andy originally said he would reach out to Josh to see if he’s interested in doing this again in 2022, however, he forgot. We determined it wasn’t necessary to touch base with him at this point considering he’s told Jarnell he won’t be doing plowing in 2021-22 winter. Jarnell confirmed we can entertain bids but that Josh is locked into lawncare through November, 2021.
  - b. Little Library – Sue has had multiple people mention to her their interest in helping with volunteering time or money towards this project. We are awaiting input from the town after the article goes out in the next Wynnedale Times.
5. **New Business:**
  - a. **Seal Coating:** *Jarnell can check who may be a proper vendor for the City of Indianapolis prior to us getting a bid. We do NOT need to get multiple bids. No harm in getting a second bid, as Jarnell said the city would advise if the bid seems out of line. Moving forward, it’s important we are on the same page within the council before reaching out to vendors.*
6. **Meeting Adjourned**
