Updates regarding various boards, commissions, and activities since the last meeting: Carr participated in the Conservation Director interviews and attended both an ADC meeting and an employee handbook meeting.

The Board, along with interested parties Wayne Kohler, Myrna and Rand Pitkin, Curt Marth, Scott Gabel, Dick Lacour, John Merfeld, and Mark Forsyth, discussed the maintenance work needed in Drainage District 18 and the uncertainty regarding where the district's responsibility ends and Forsyth's responsibility begins. The consensus reached was that the district will complete all work west of Forsyth's tile outlets near the bend, while Forsyth will be responsible for the remaining portion. Later this morning, the landowners and Campbell will meet to mark the exact point where the district's responsibility ends. Campbell and Forsyth will also coordinate with contractors to obtain bids and clearly define project expectations.

Frank Salvatore of TBB Spraying presented his company's tree and weed control services, noting his team of up to four full-time sprayers and the use of drones for drainage district inspections. He provided the Board with a rate sheet for consideration.

Rottinghaus/Campbell moved to approve the Supplemental Agreement for Final Design Services for bridge projects HDP-C034(114)--6B-34 and HDP-C034(117)--6B-34. Motion carried 3-0.

Campbell/Rottinghaus moved to approve the wage agreement between the Secondary Roads Department and the Teamsters Local Union for July 1, 2026–June 30, 2027, which includes a 2.9% wage increase, and to authorize the Chair to sign. Motion carried 3-0.

Tim Fox, Charles City Area Development Corporation, provided the Board with a fact sheet on tech parks that he prepared. Campbell/Rottinghaus moved to approve Res #07-26\* A Resolution Establishing a Moratorium on Data Centers: The Board approved instituting a one-year moratorium on accepting Conditional Use Permit or Zoning Permit applications for data centers, including cryptocurrency mining operations, to allow time for expert consultation and revisions to the County’s zoning ordinance. During this period, the Board will work with the Zoning Administrator, Zoning Commission, and planning consultants to develop appropriate regulatory updates. The moratorium will remain in effect until March 2, 2027, unless extended by the Board. Roll call vote – Ayes: Carr, Rottinghaus, Campbell; motion carried 3-0.

Rottinghaus/Campbell moved to approve Ahlers & Cooney invoices of \$226.98 for Judicial Review of IUC Permit. Motion carried 3-0.

Future agenda items: IGHCP presentation, ADC agreement for the wage-enhancement program, zoning fee schedule, and the right-of-way ordinance.

The Board conducted FY27 budget reviews including wage increases, fund balances, and levy rate options. Rottinghaus/Campbell moved to adjourn at 10:55 a.m. Motion carried 3-0.
