

VILLAGE OF BRADFORD
Special Session
May 23, 2019

Council met in special session at 6:30 p.m. with Mayor Stump presiding. Roll call; Wooddell, Wirrig, Warner, and Daugherty present. Balmert and Swank absent

Purpose of the meeting was to begin discussion on solutions to eliminate I & I issues in the Village. Administrator Looker discussed the laws that the EPA are beginning to enforce and advised that the Village must begin working on a plan to inspect each property. It is expected that many sump pumps and down spouts are draining into the sanitary sewer contributing heavily to the problem. It was determined that the Administrator will put together a draft informational brochure and bring back to discuss further.

Warner moved to adjourn the meeting with a second by Wooddell. All voted yea.
