Petition to designate a School Zone near Nampa Christian High School Campus

Petition summary and background: The undersigned requests that a School Zone be designated at Midway rd. and Flamingo rd. near Nampa Christian High School. The current speed limit is 45 mph. This speed creates a greater potential for accidents and is an excessive danger to students, families and community members. This petition was prompted by vehicular accidents that have taken place around the immediate vicinity of the campus, the most recent having taken place the week of 1/9/23 where a vehicle was totaled.

Action Petitioned for: We, the undersigned are concerned citizens who urge our leaders to act now to designate a school zone on Midway and Flamingo near Nampa Christian High School to the benefit of the community as a whole.

1/13/2023 16:53:54 bethany.hazel@yahoo.cc Bethany Hazel	404 Garland St., Nampa	<p>This area is a big safety issue. It needs to be a school zone. Cars fly through this zone putting students who are learning how to drive and parents who are dropping kids off in the morning. It is a private school, no public bus route, so the majority of kids are dropped off and picked up by parents, or students who are new drivers and commuting. The area is rural so there has been icy and foggy conditions frequently that increased the potential for accidents. I really wish there would be a turning lane from midway going left onto Flamingo. This would assist the flow of traffic significantly.</p>	1/13/2023

My children attend Nampa Christian, and over the three years that they have been there, I have seen numerous accidents, and near misses. The speed limit is 45, but many people drive above the speed limit. Trying to turn left onto Midway from the school is very difficult, and it is stressful for me as a very experienced driver. I'm sure it is even more stressful for the students. I have not driven past any other schools in Nampa that do not have a school zone. I don't understand why there would even be a discussion about making the area in front of the school a school zone. Our children's safety should be of the utmost importance, and a school zone in front of the school is long overdue. Please make this a priority and designate that area of Midway as a school

1/13/2023 17:00:54 melissaabennett1@gmail Melissa Bennett

9865 Red Fox Dr, Nampa zone.

1/13/2023

1/13/2023 17:01:39	lizmacd05@gmail.com	Elizabeth	7659 E.Damon Ln	Nampa Christian High School is an unsafe school zone & intersection due to the current designated speed. I witness near accidents on a more frequent than weekly basis. Accidents are not completely preventable, however, can be significantly mitigated by a safer school zone speed. Otherwise, it will only be a matter of when an accident here becomes fatal in this school zone.	1/13/2023
				Please support this petition. The safety of our children is important and this designation will help to increase the safety at our Flamingo campus.

In the last 2 years I have personally witnessed 4 serious accidents at the corner of Midway and Flamingo. Half of those instances involved high school students simply leaving the school parking lot and struck by speeding vehicles traveling on Midway in front of the Middle school/High school campus. It's a serious daily problem, and a need that should be addressed before something truly devastating occurs. Thank you for your serious consideration of this rezoning petition to help protect student

This is a SCHOOL, with students, faculty and parents in a 45 MPH zone. Why wouldn't you make this a school zone with appropriate school MPH limits. Are their lives no more important than other children's lives? It is very disappointing that a school zone has been applied for and denied on more than one occasion. It is the cities responsibility to keep children in school zone safe from vehicles driving 45 MPH. Please approve this petition for a school zone and keep our children safe. Thank

We are a school and
our children/students
are not being protected.
Every other school I
pass in the area has
reduced speed limits
and plenty of signage
(most with flashing
lights). We should have
the same. It's proven to
be a dangerous
situation and I hope that
the city will do what's
right and protect our
children, teachers, staff,
families and community.

1/13/2023

Designate a school

Please designate Midway and Flamingo in and around Nampa Christian School campus as a school zone. The speed is 45 miles an hour and needs to be decreased based on the amount of traffic in and around the school especially during peak times of drop off and pick up. I have personally witnessed too many close calls in and around the school because of drivers driving WAY too fast. Thank you for your attention to this matter immediately before someone is critically injured. I even have video that I took one day that demonstrates just how dangerous it is. Also, I have called the non-emergency number for the police department reporting people who have passed me for going the speed limit of 45. No one responded back to

				After loosing my own child in an auto accident, I am begging the city of Nampa to protect the students and families of our school. We deserve the same rules as all ID schools which is a reduced speed zone during drop off and pickup hours. The lives of these children and families lies in your hands. Please partner with us. There is an organization called "keep kids alive drive 25". Together as a community We CAN make a difference.

				I have been driving children and grandchildren to and from Nampa Christian Schools for over 30. The area around the high school campus is one of the most dangerous areas to drive in Nampa. There are cars turning into and out of the parking lot and the speed limit of 45 mph is extremely dangerous. I myself have witnessed three accidents in this area, and there have been many more that I have not witnessed. I plead with you to lower, and enforce, a speed limit of 35mph or below before someone is seriously injured, or worse, loses their life. Thank you for considering our petition.

We plead with you to lower the shows limit to 35mph or lower for the safety of all who drive this stretch of roadway. Public schools do not have to petition to have school zone speed limits, private schools should be given the

1/13/2023 21:35:51 jeffconant56@yahoo.com Jeff Conant

2105 East Elm Grove Dri same consideration.

1/13/2023

There needs to be a school zone at NCS HS. There have been numerous accidents and many more close calls. The fact that Elevate Academy just around the corner automatically gets a school zone upon the completion of the school should be a glaring example. There needs to be consistency with regards to school safety whether a public school, charter school or private school. With all these situations we have new drivers trying to navigate out of busy intersections, add in inclement weather into the mix and there is good cause for concern. Appreciate your consideration of this public safety concern and expect there to be a prompt remedy to the situation.

There definitely needs
to be a school zone
instituted around
Nampa Christian
Secondary campus.
Being that Elevate
Academy has a cool
zone on Orchard, it
would only make sense
for Nampa Christian to

1/16/2023 18:19:26 aamack99@yahoo.com Andrew Mack

14177 Yucaipa St. Caldwl also have one.

1/16/2023

The Nampa Christian High School building is a school for 6th through 12th grade students. Since it is a school, and has been for more than 10 years in this location, I don't understand how the area around it has not already been designated as a school zone before now. There have been accidents recently that would have been avoided had the speed limit been lowered. I drive out of that parking lot most mornings and even though I usually need to turn left, I often end up turning right just because the road is so fast and dangerous. I would rather turn right and avoid an accident and add 5 minutes to my commute. With this being a high school there are many students that are driving. It would be great if we can create a safer environment for them since many are just learning how to drive. It would be awful for a student to get hurt just because the speed limit doesn't get lowered for a couple of hours each

1/16/2023 19:22:05	corderofamily6@sbcglob	Kendall Cordero	11231 W Brandi Lane, N	Please lower the speed limit and designate Flamingo and Midway a school zone, because it is.	1/16/2023

1/17/2023 10:09:48 rsarsona@nampachristia Ryndie Sarsona	Copper River Basin	<p>It is so important to me and my family that for the safety of our students, staff, and community, a School Zone be designated to the Nampa Christian School area at Midway Rd. and Flamingo Ave. Not only have there been vehicular accidents in the area, but we don't want to wait until a child is injured or worse before taking action. Please take the necessary preventative action to designate this area as a School Zone and lower the speed limit in this area.</p>	1/17/2023
1/17/2023 10:16:00 lvermeer@nampachristia Lorena N. Vermeer	18155 Andorra Ln. Cald	<p>Please for the safety of staff, students, parents and the community, NC High School needs a school zone.</p>	1/17/2023

Please do not hesitate for a moment to make a designated school zone around Nampa Christian High and Middle School. I tried and could not find a single school in the City of Nampa or in the impact zone that is bordered with a 45 mph road. Not a single one other than Nampa Christian. Most of the schools in your jurisdiction have a designated school zone, flashing signs, and a speed limit of 20 mph. Please do not wait for any more kids to get

14460 Sand Hollow Rd

This seems like a
no-brainer to me. Is this
a school zone or not?
Well yes it is and has
been for a long time.

USTICK CORRIDOR STUDY

Crystal Craig, P.E.

Director of Transportation

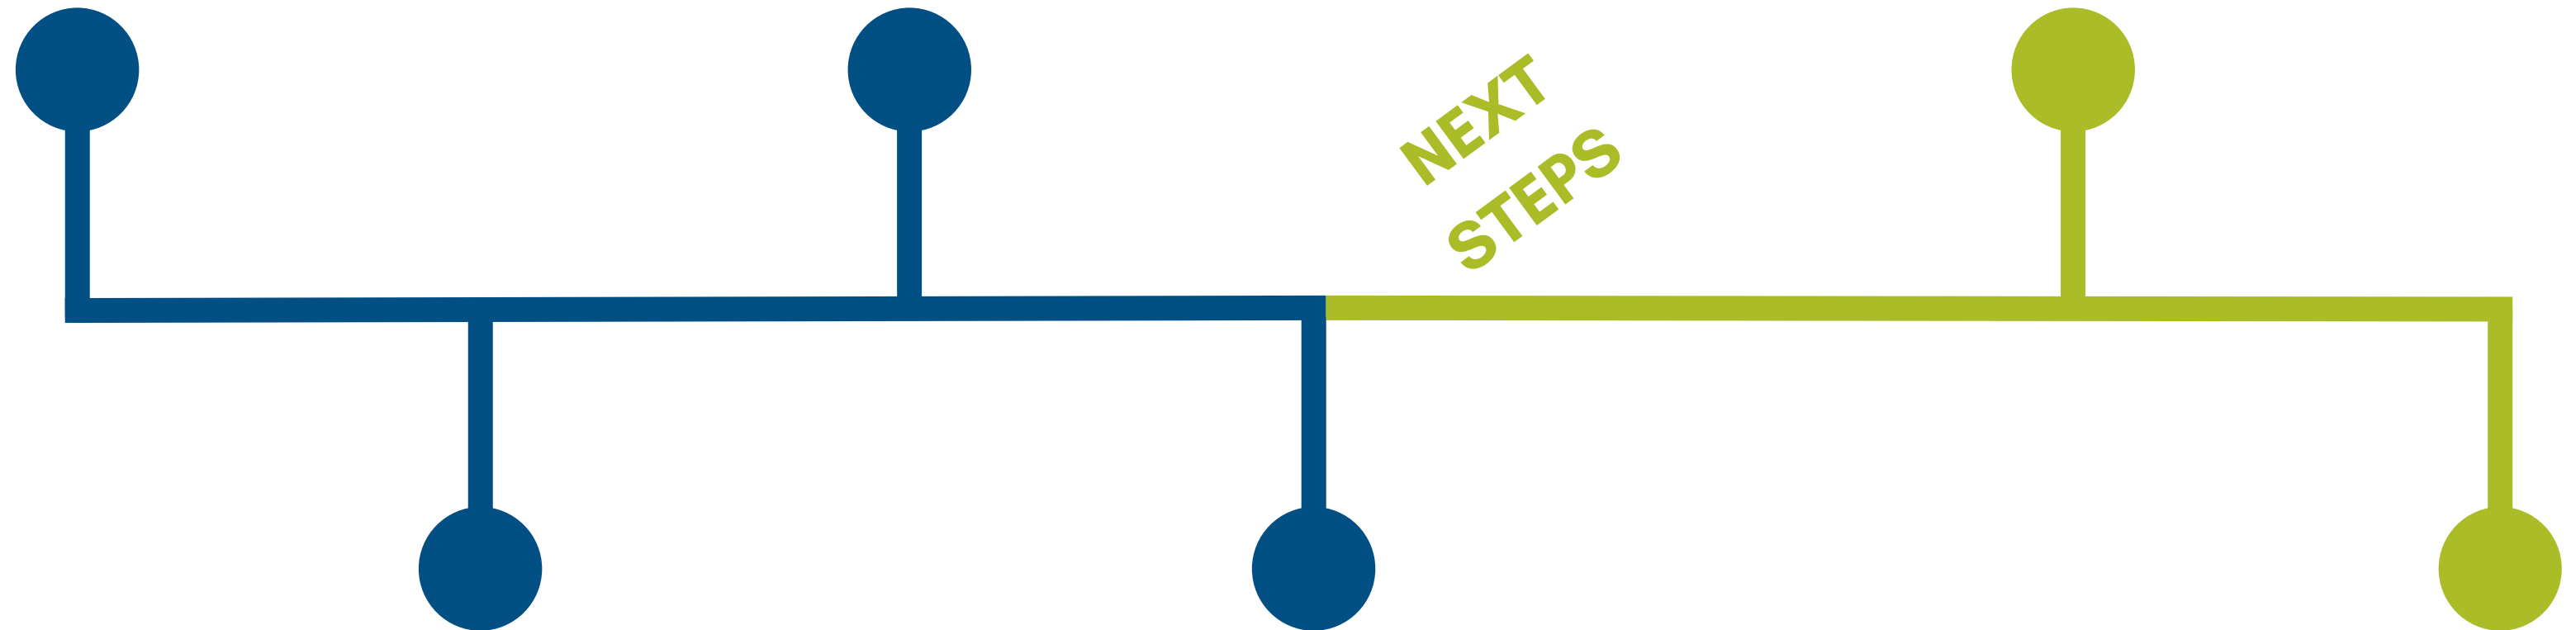

TIMELINE OF STUDY

Study started
December 2021

Public Outreach
in August 2022

Design and Purchase
Right of Way

NEXT
STEPS

Hired Six Mile
Engineering as
the consultant

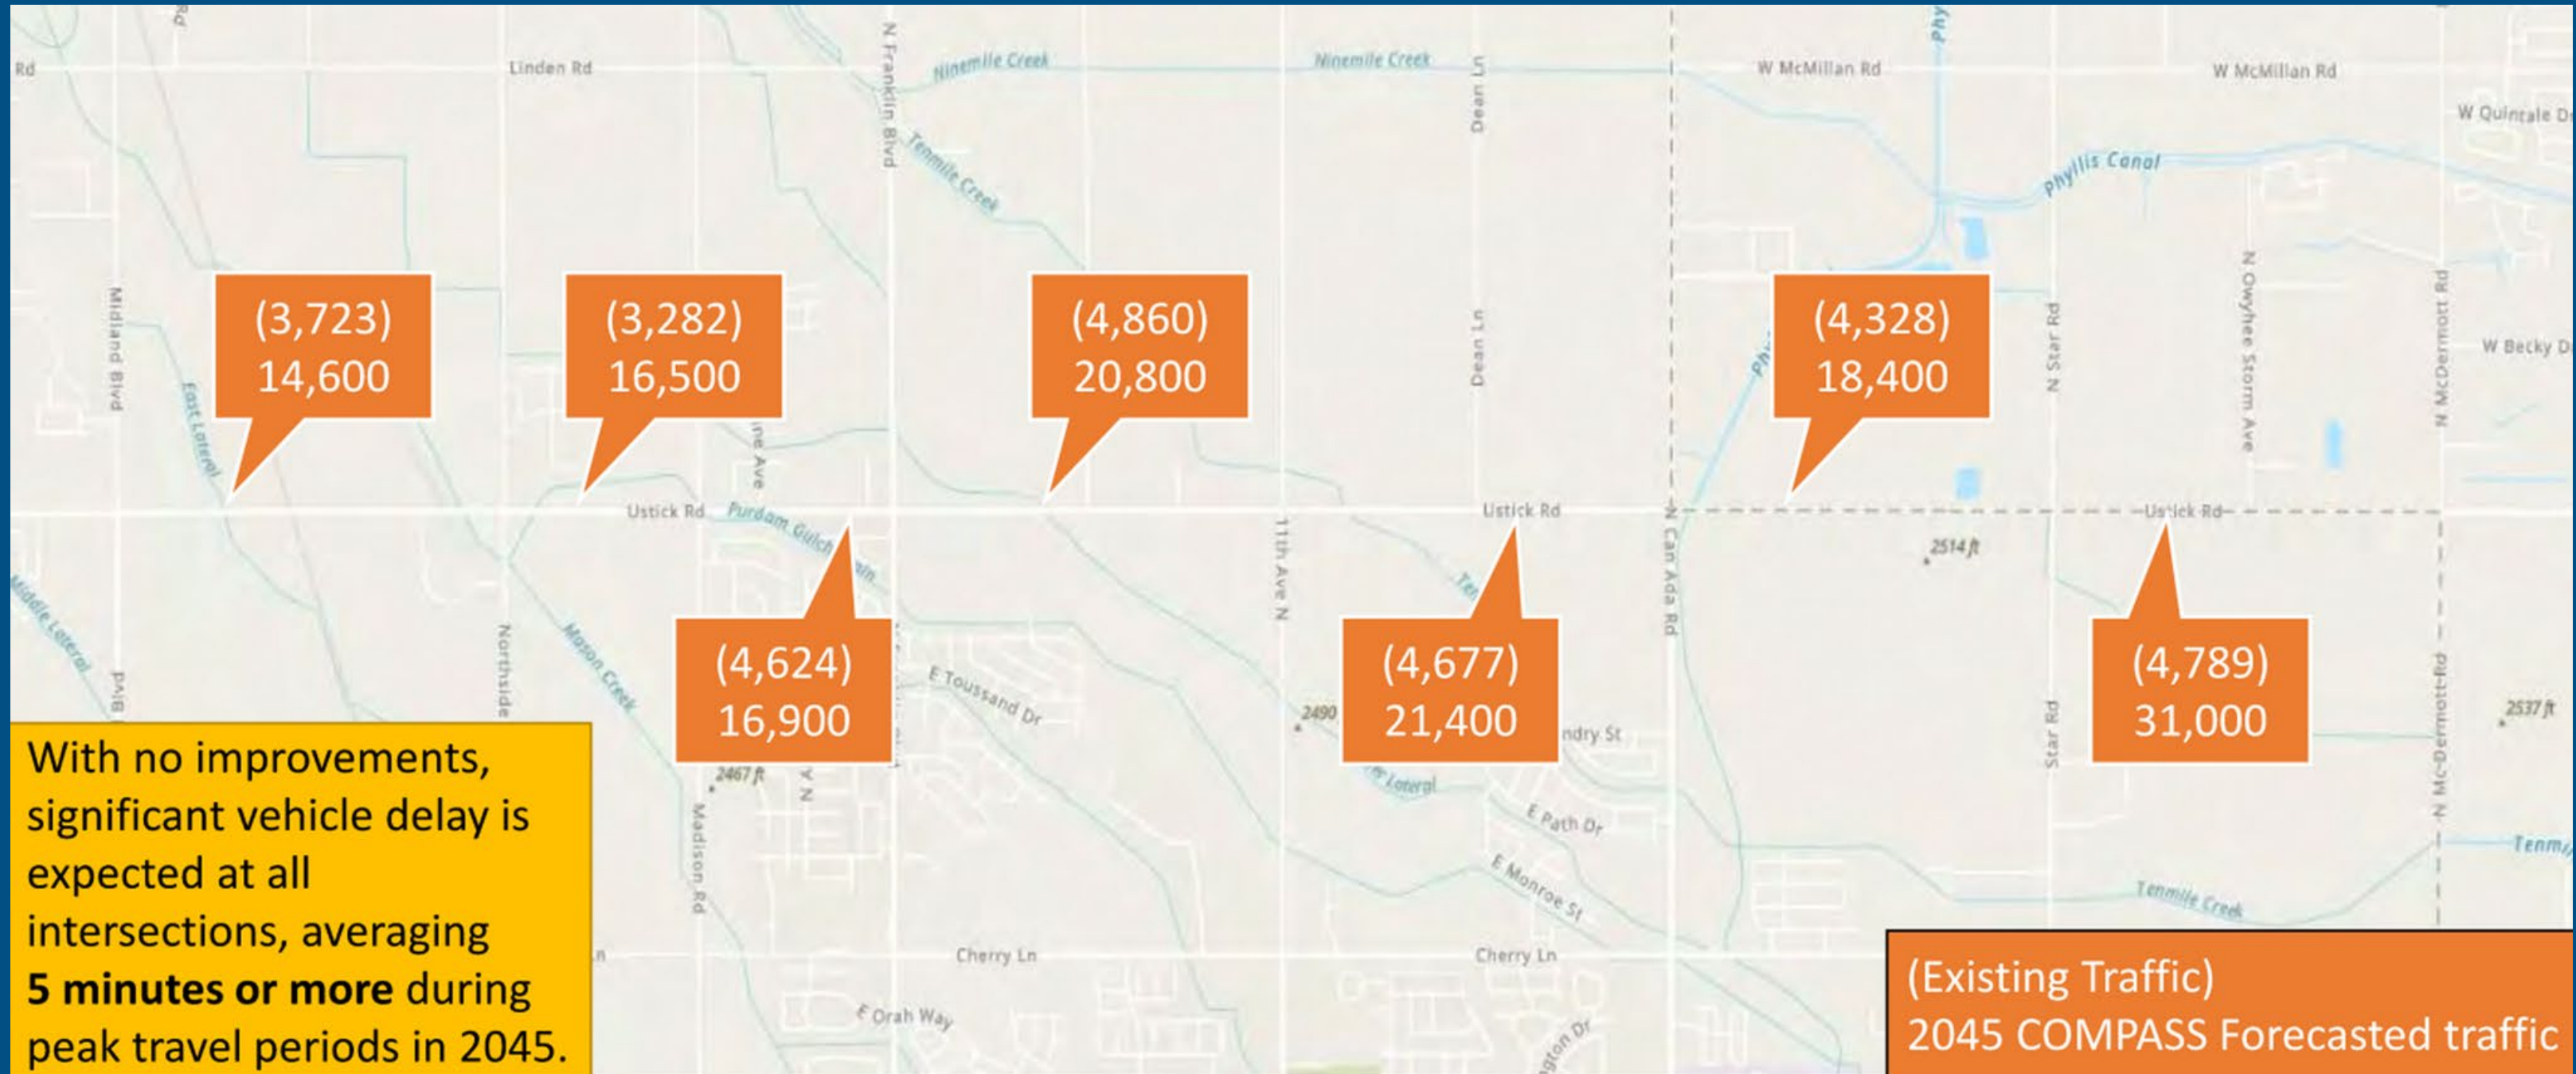

Study was
completed/ accepted
November 2022

Construction

PROJECTED TRAFFIC VOLUMES

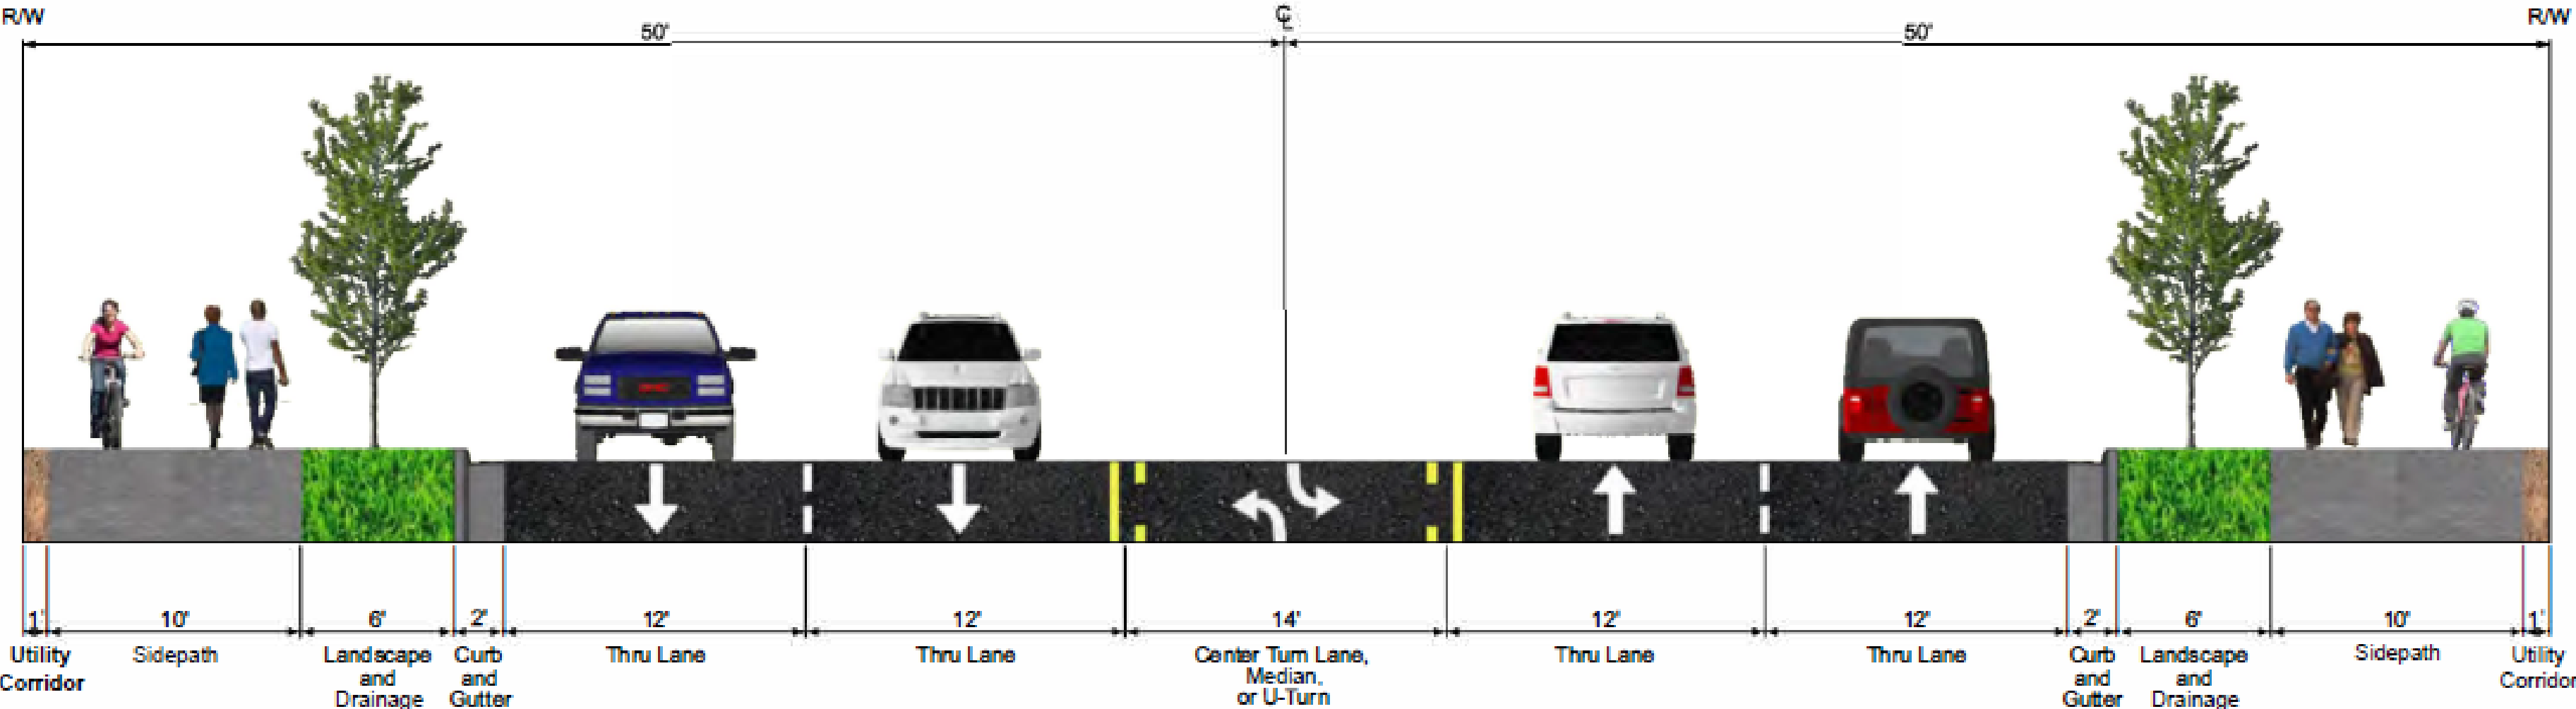

Daily Traffic Volumes

With no improvements, significant vehicle delay is expected at all intersections, averaging **5 minutes or more** during peak travel periods in 2045.

(Existing Traffic)
2045 COMPASS Forecasted traffic

TYPICAL CROSS SECTION

Ustick Road Cross Section

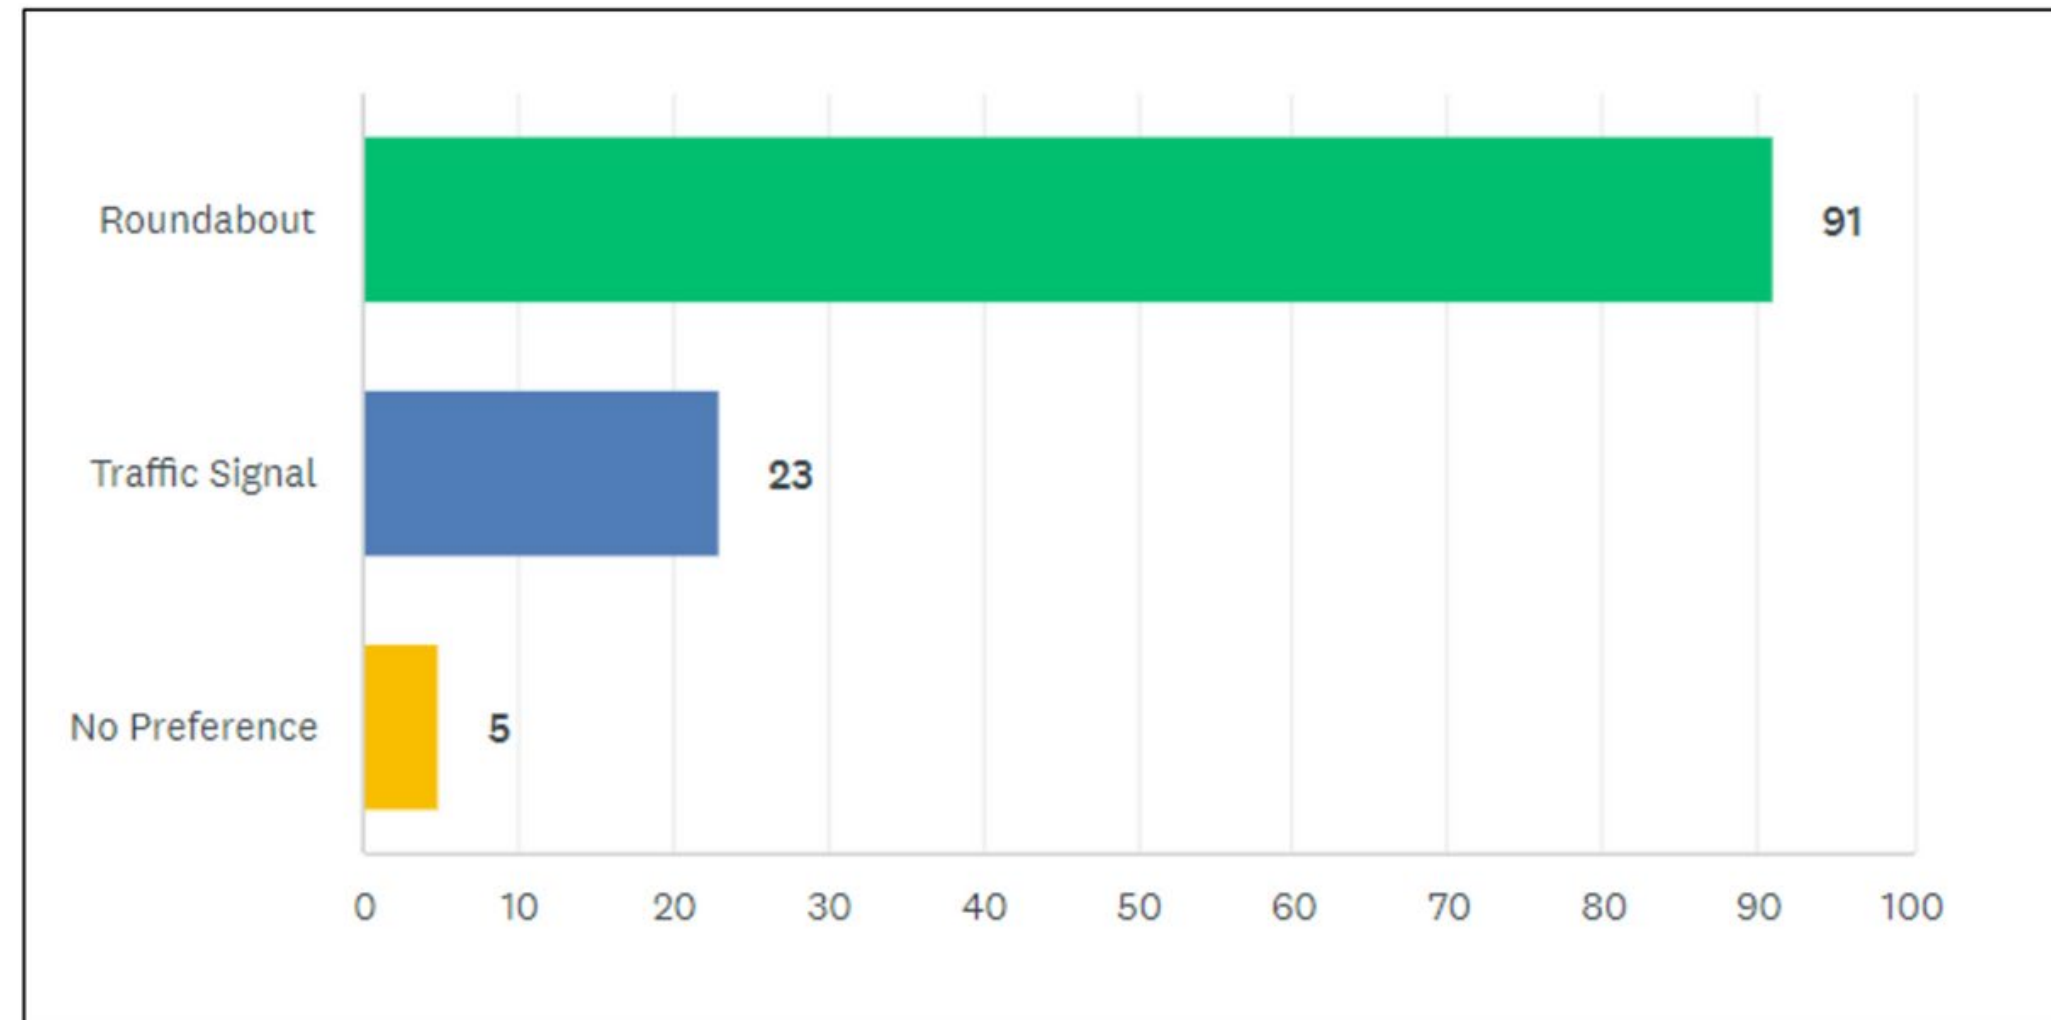

CITIZEN SURVEY RESPONSE

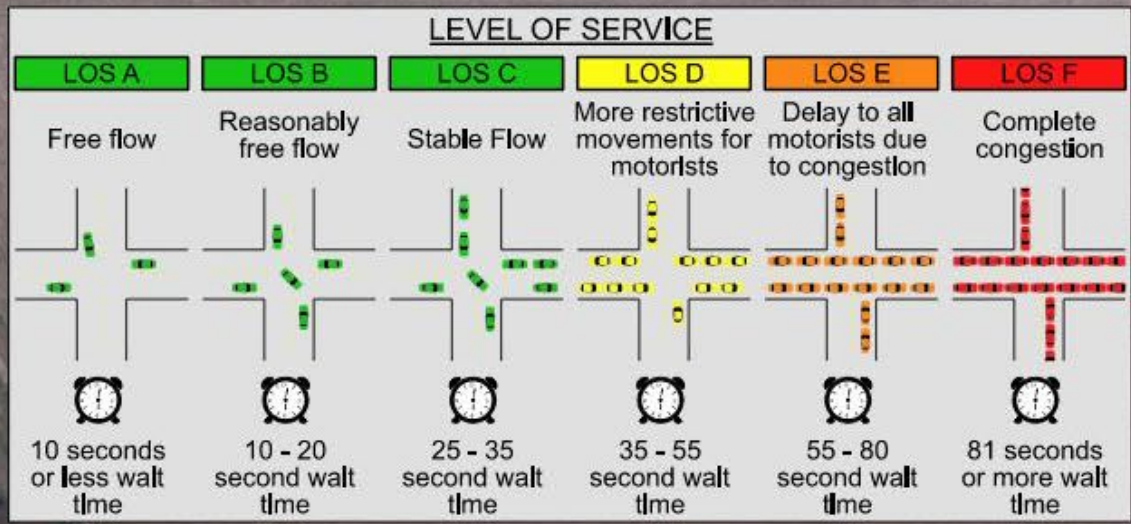

- 119 responses
- Respondents support 5-lane section
- 77% preferred roundabouts over signals

TOP CONCERNS

- Property impacts
- Trucks and agricultural use

Projected intersection wait time during 2045 peak traffic conditions

375' expected vehicle queue length during 2045 peak traffic conditions

375' expected vehicle queue length during 2045 peak traffic conditions

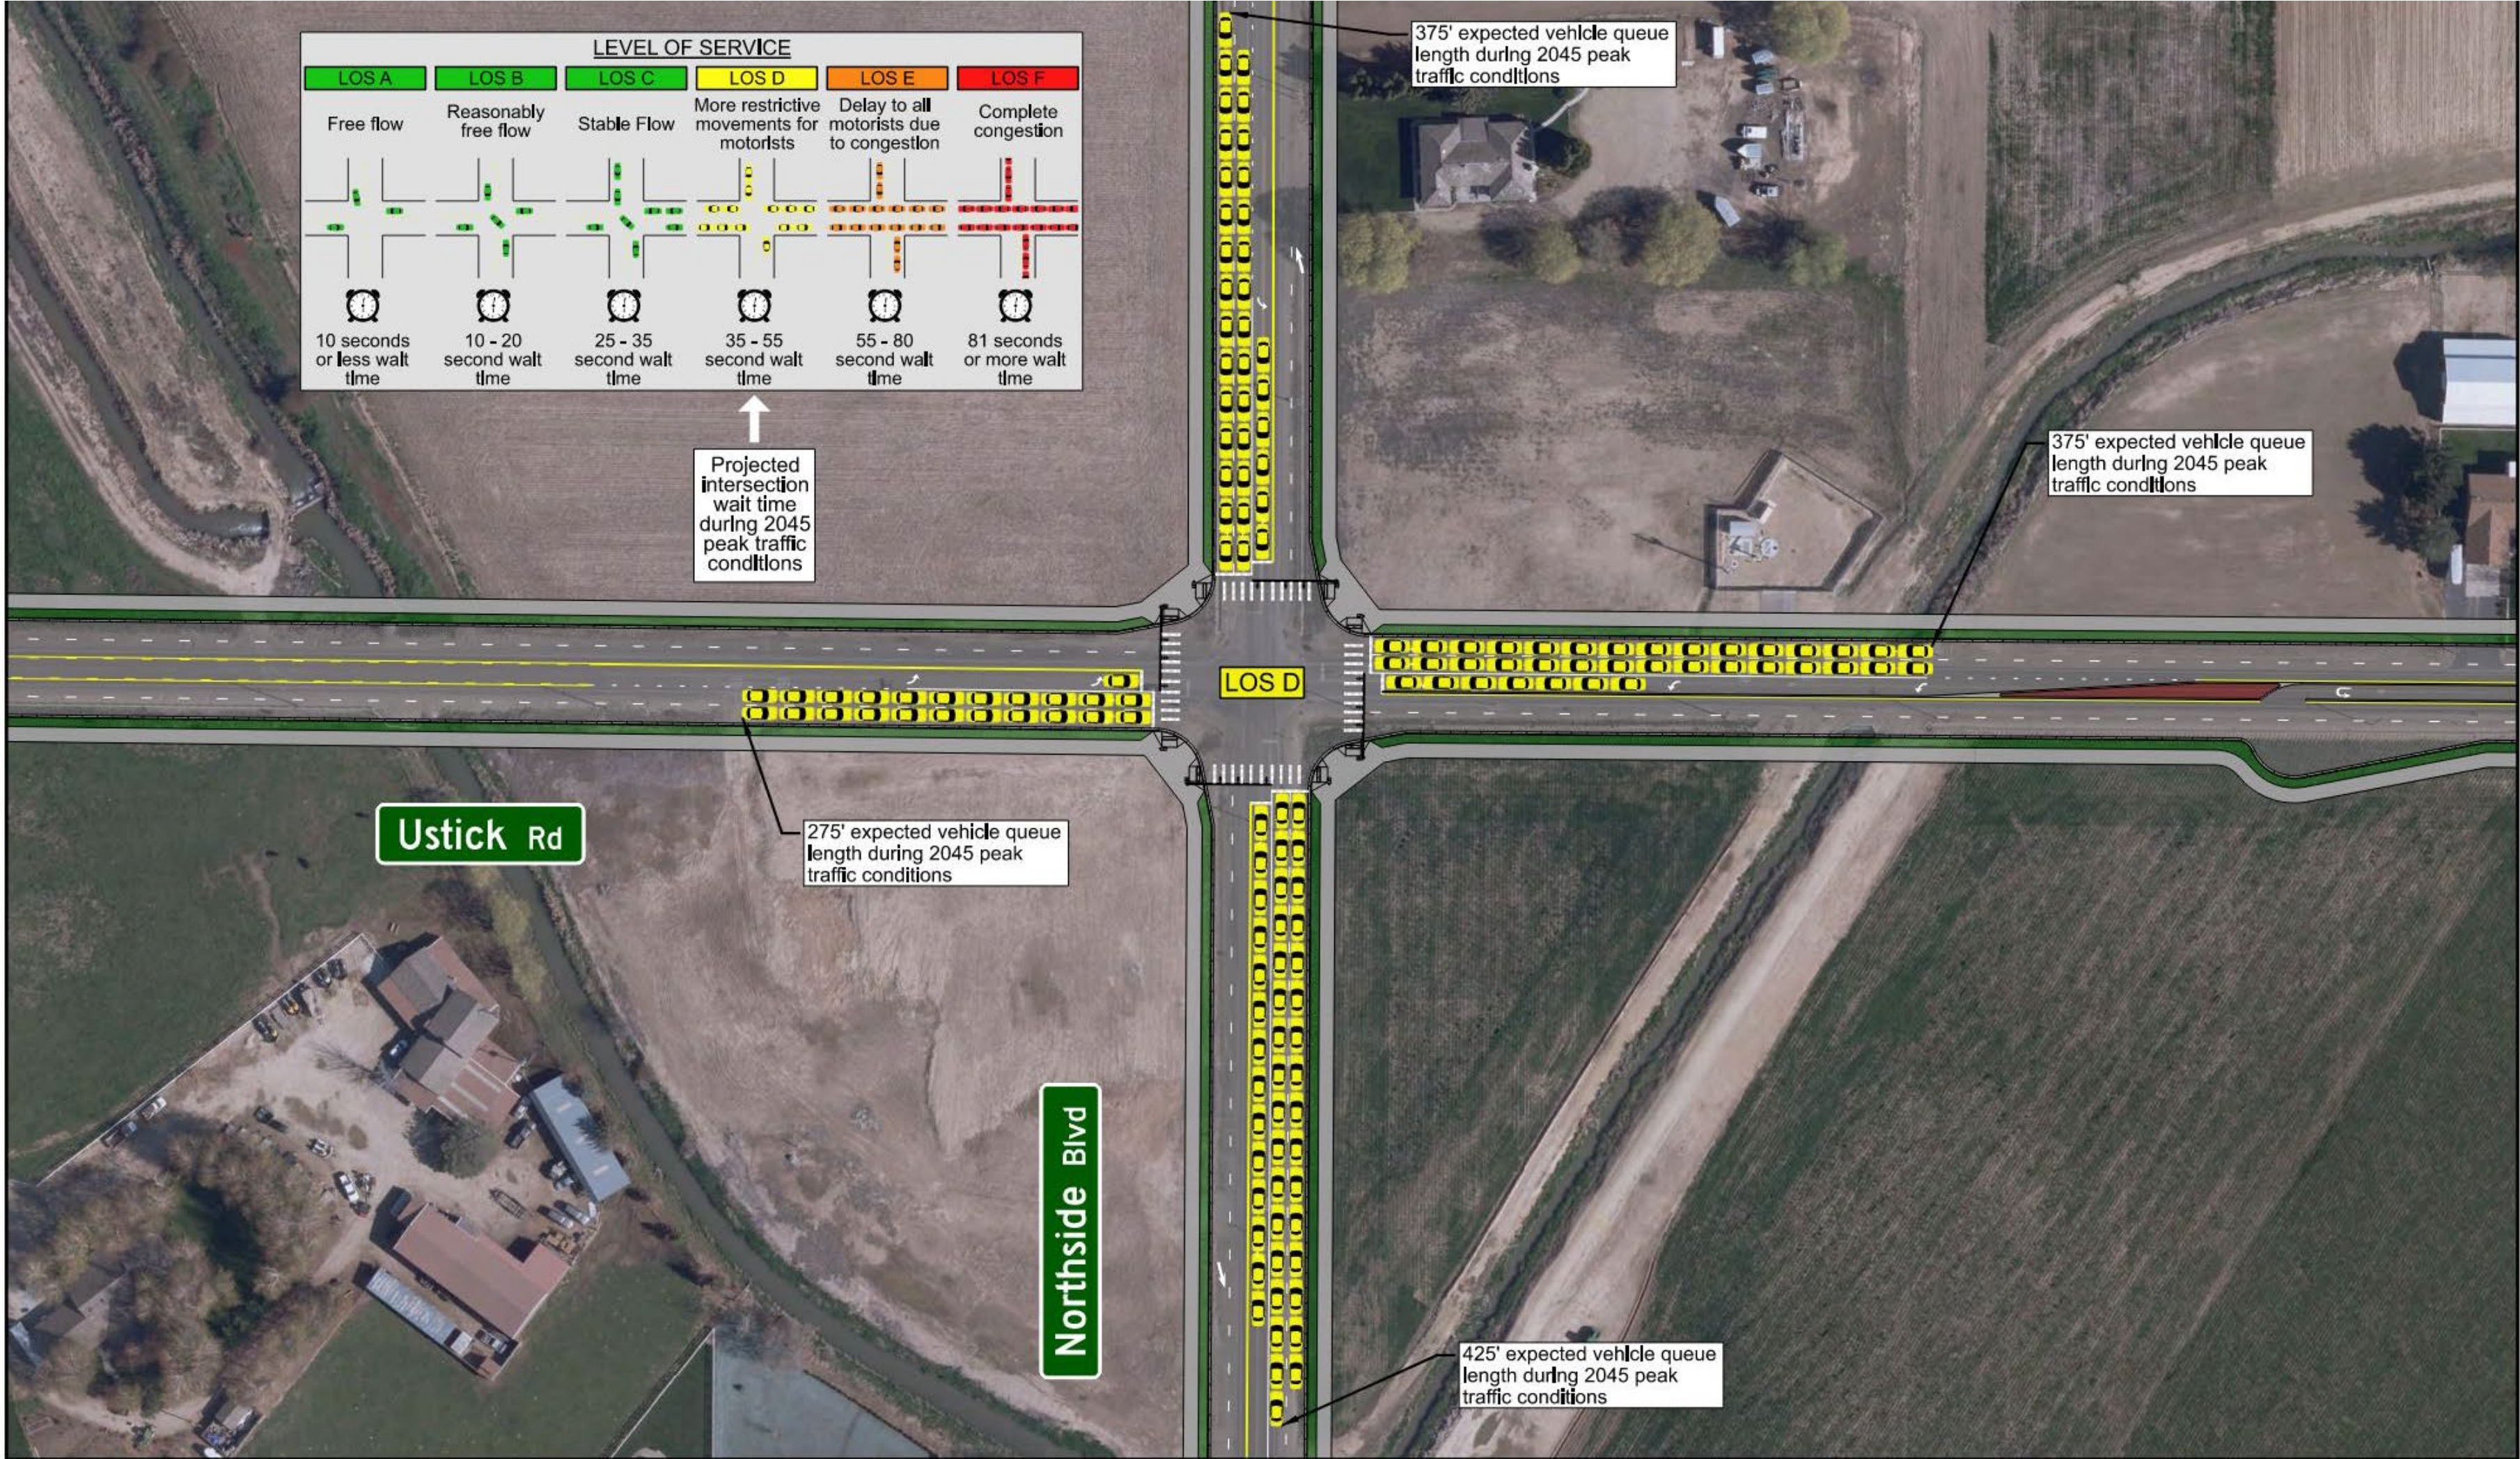

LOS D

Ustick Rd

Northside Blvd

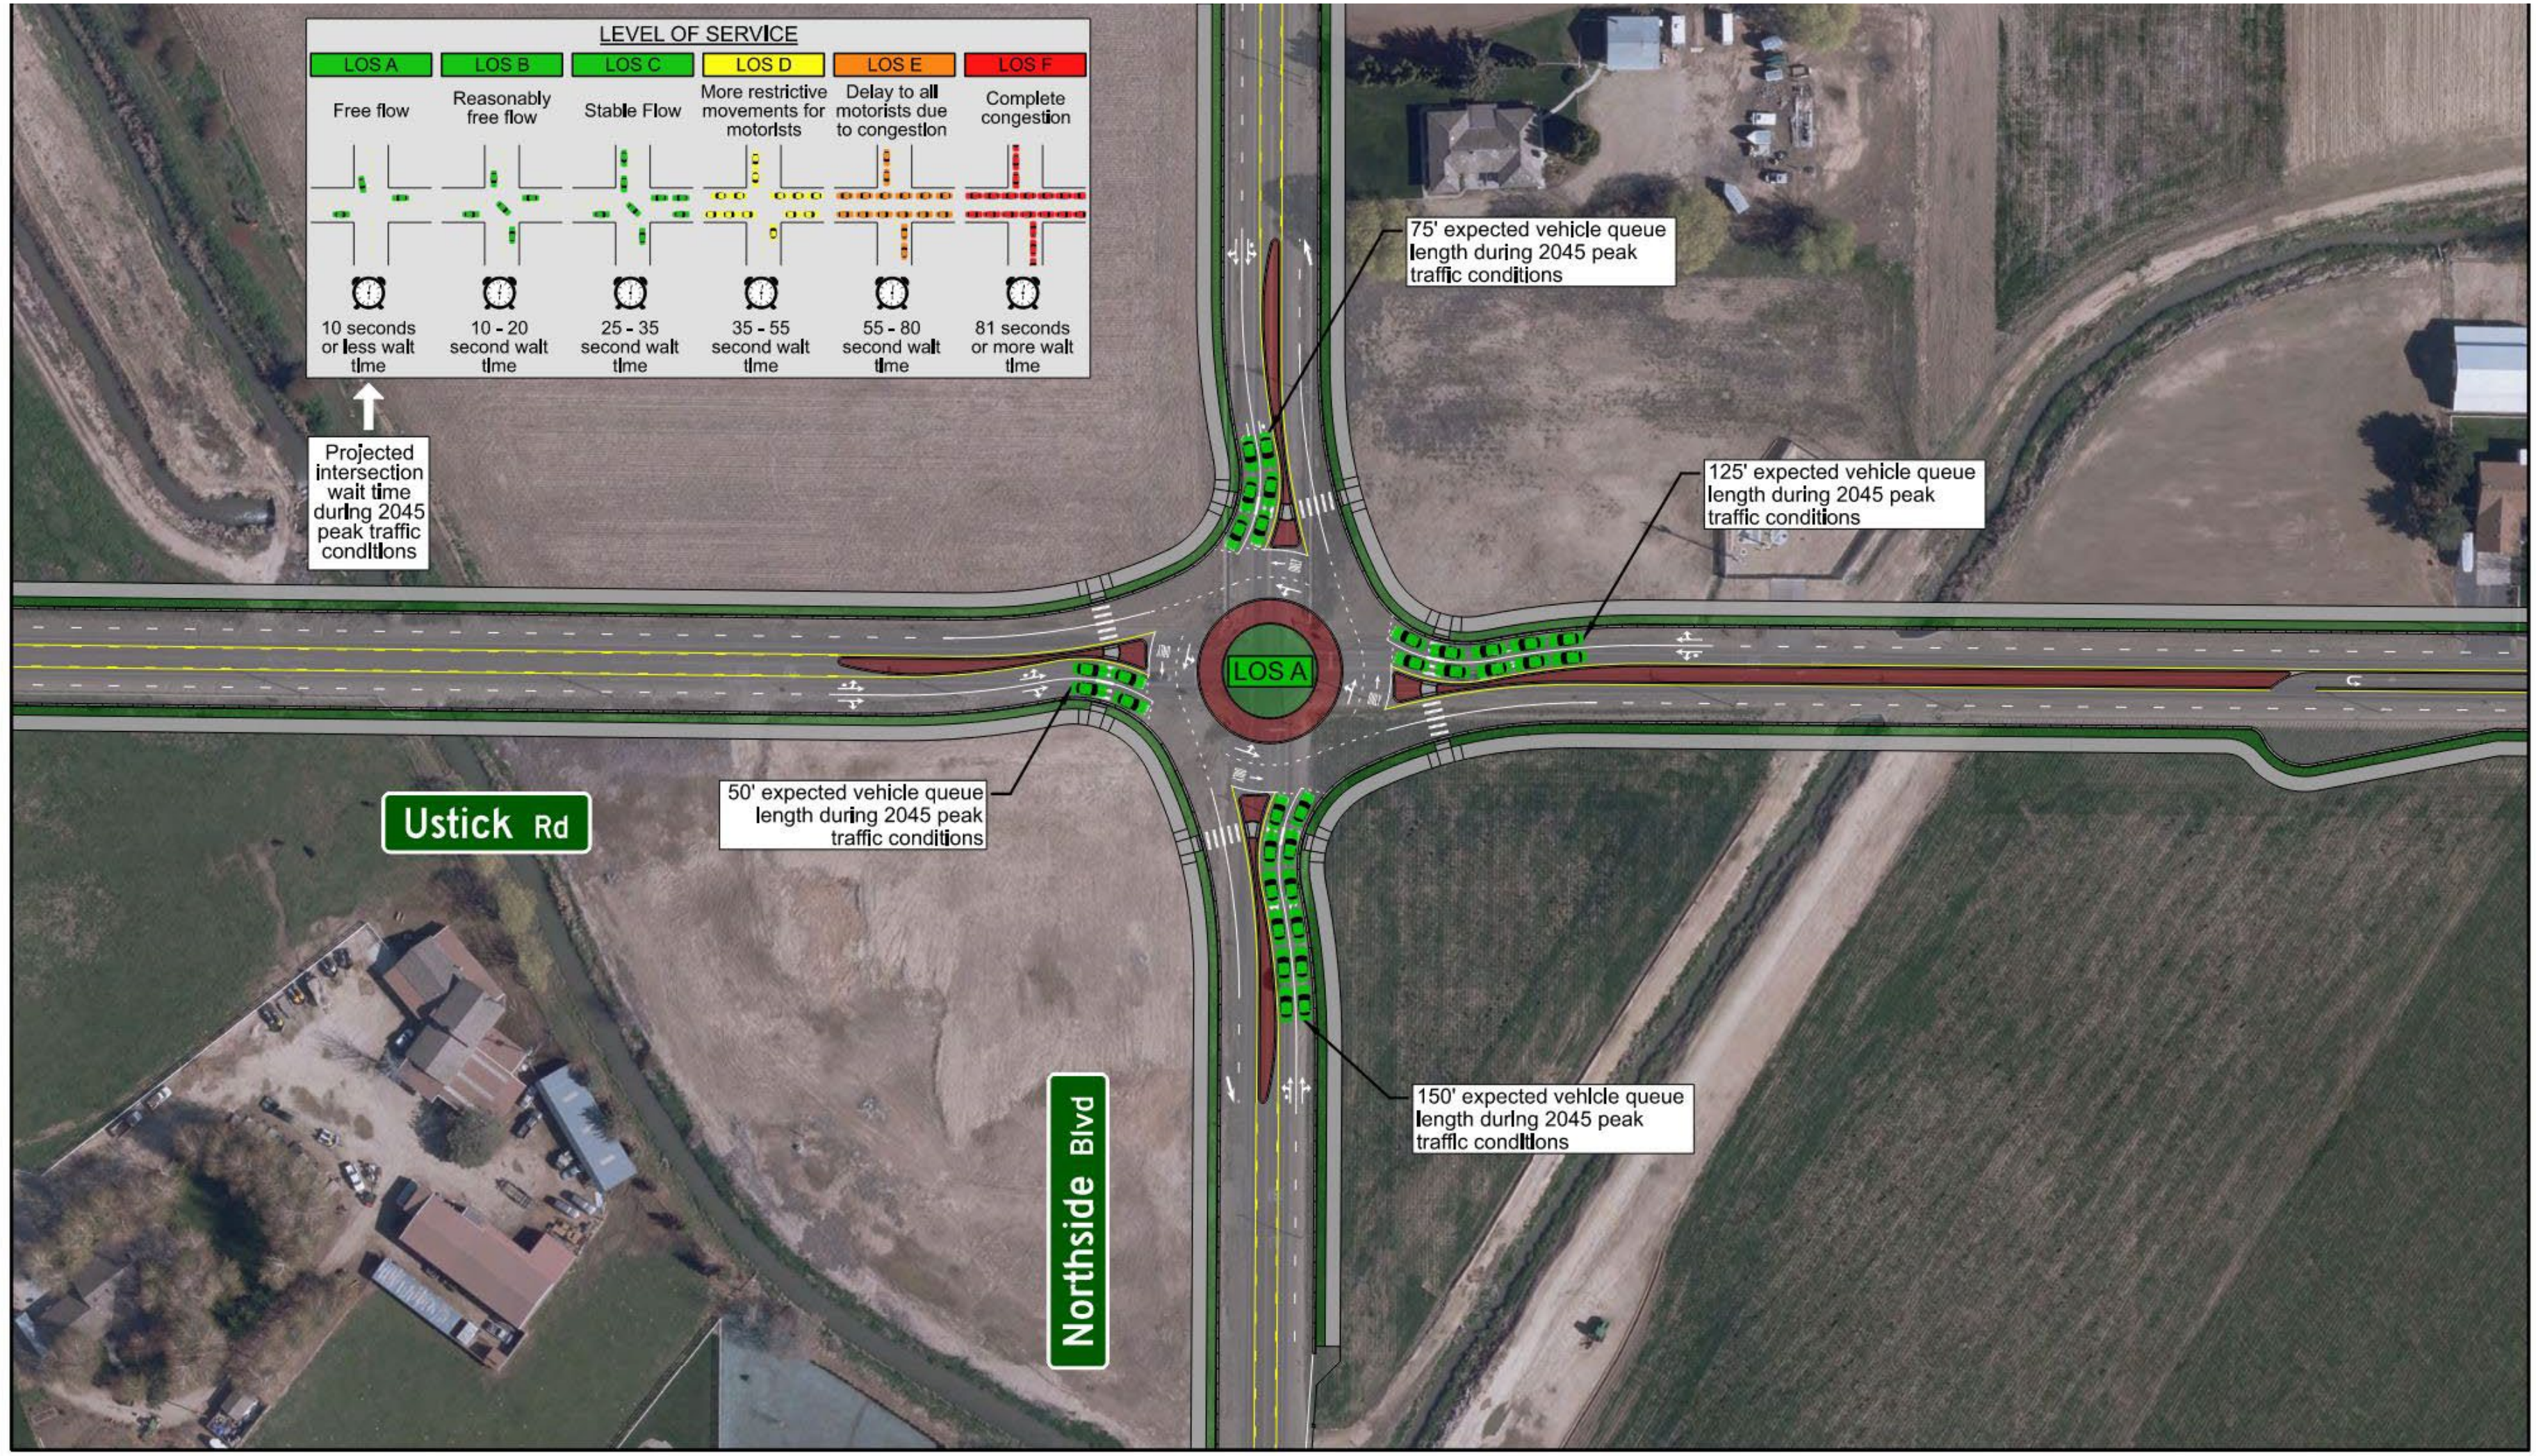

275' expected vehicle queue length during 2045 peak traffic conditions

425' expected vehicle queue length during 2045 peak traffic conditions

LEVEL OF SERVICE					
LOS A	LOS B	LOS C	LOS D	LOS E	LOS F
Free flow	Reasonably free flow	Stable Flow	More restrictive movements for motorists	Delay to all motorists due to congestion	Complete congestion
10 seconds or less wait time	10 - 20 second wait time	25 - 35 second wait time	35 - 55 second wait time	55 - 80 second wait time	81 seconds or more wait time

↑
Projected intersection wait time during 2045 peak traffic conditions

75' expected vehicle queue length during 2045 peak traffic conditions

125' expected vehicle queue length during 2045 peak traffic conditions

Ustick Rd

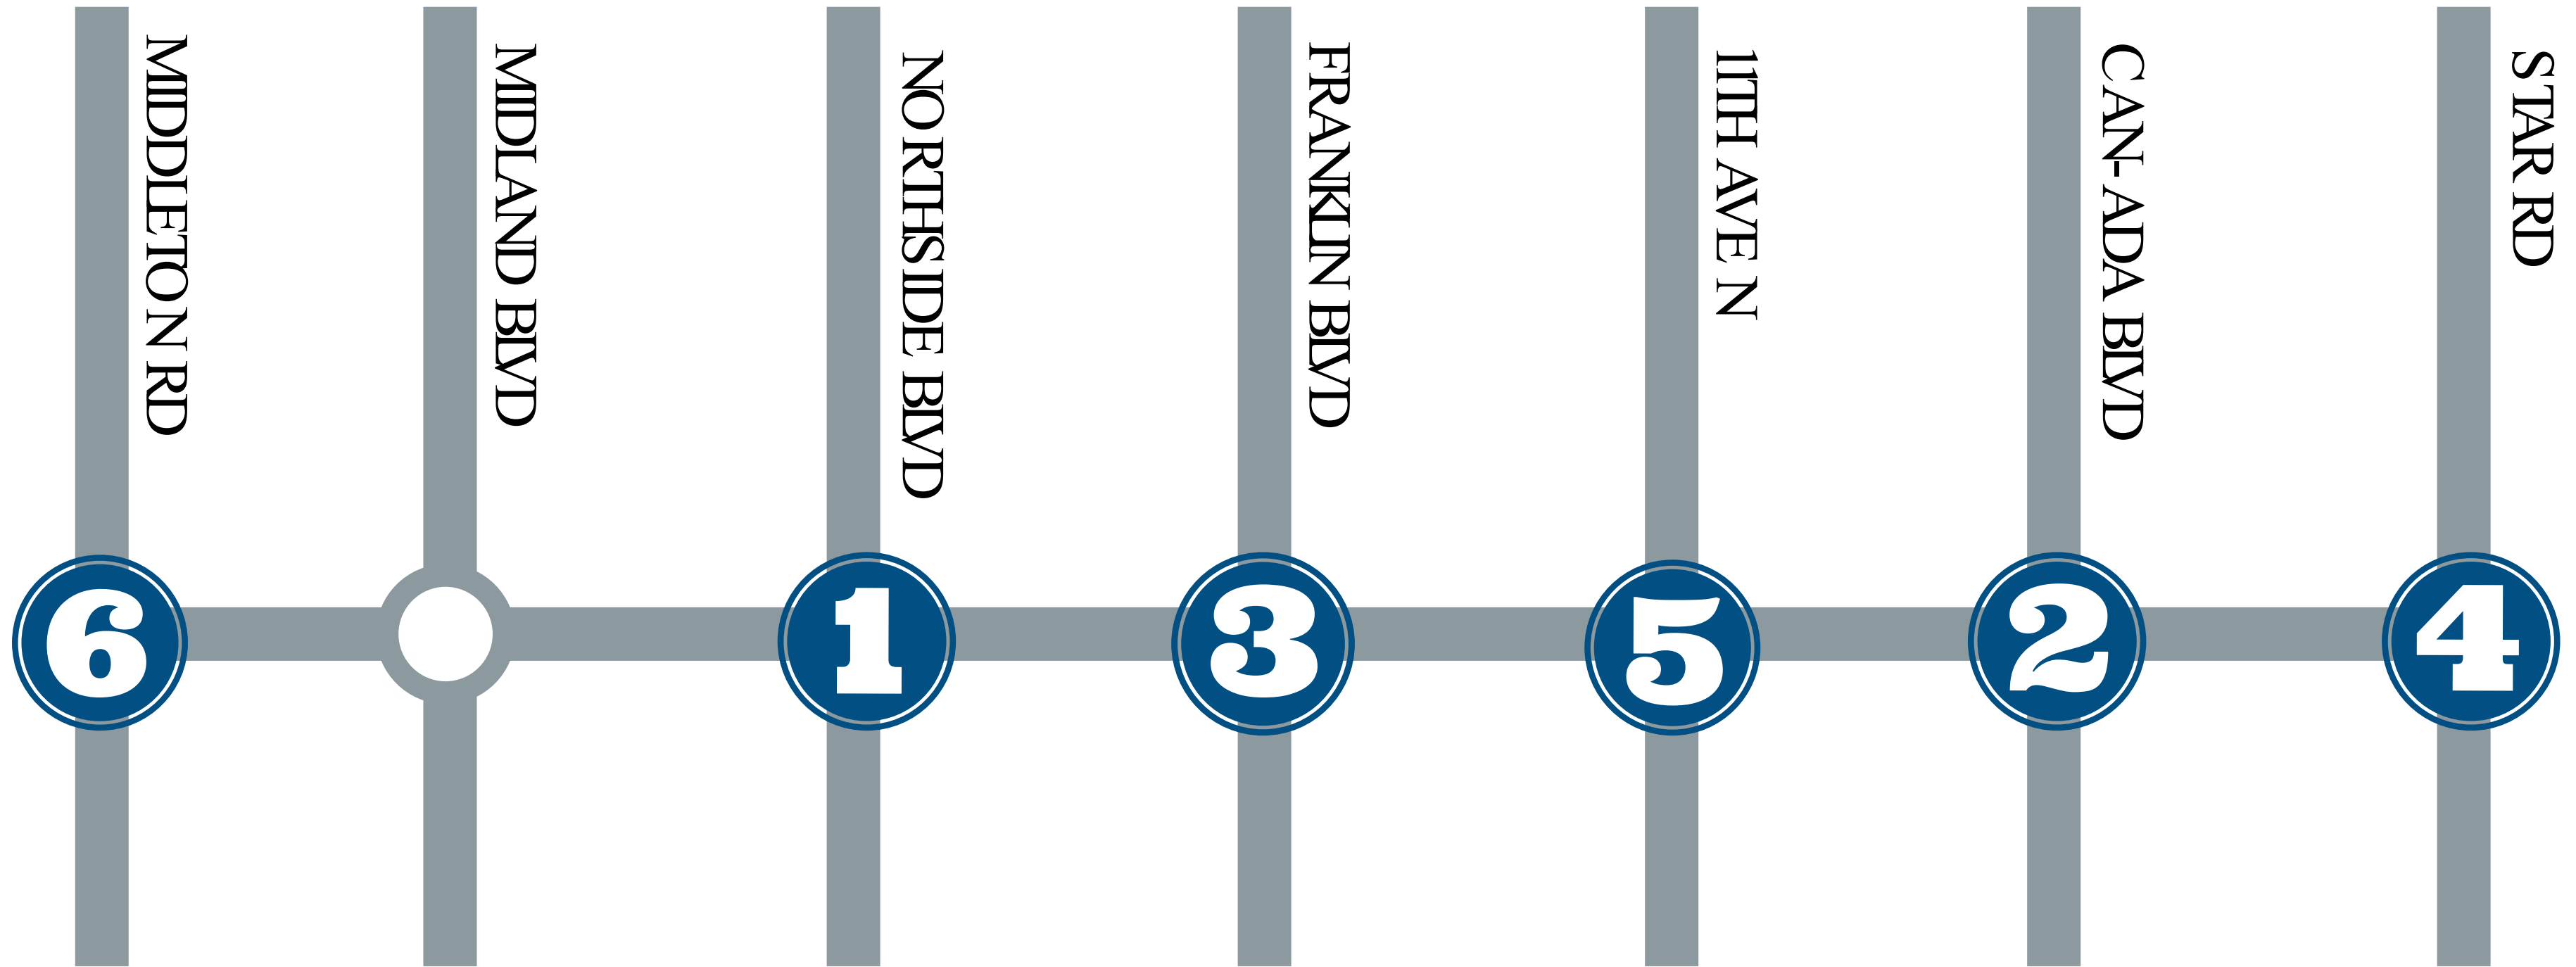

50' expected vehicle queue length during 2045 peak traffic conditions

Northside Blvd

150' expected vehicle queue length during 2045 peak traffic conditions

CONSTRUCTION PHASING

Next Steps

The order is based on traffic counts, funding and community impact
